Nurse death hospital boss slams station

THE hospital where the nurse who was duped into helping reveal details about the Duchess of Cambridge's health worked has condemned the prank call as "truly appalling".

In a letter to the Australian radio station 2day FM's parent company, Lord Glenarthur, chairman of London's King Edward VII's Hospital, said he wanted to protest against the "extremely foolish" gag.

His comments follow the apparent suicide of Jacintha Saldanha, 46, on Friday morning.

Lord Glenarthur told Southern Cross Austero her death was "tragic beyond words" and that the "premeditated and ill-considered actions" led to the "humiliation" of Ms Saldanha *(above)*.

A friend of Ms Saldanha said at the family's Bristol address that partner Benedict Barboza, 49, and son and daughter were "very, very shocked and unhappy at the tragedy".

Mandela set to undergo tests

FORMER South Africa leader Nelson Mandela was in hospital in the capital Pretoria last night undergoing tests.

Mr Mandela, 94, spent more than two decades in jail under the white minority apartheid regime.

He served as South Africa's first black president between 1994 and 1999, and received the Nobel Peace Prize in 1993.

BRITAIN'S LUCKIEST MOTORIST

A HONDA driver had a lucky escape in the snowy weather when a falling tree missed his roof by INCHES.

The motorist was returning to his home near Laurencekirk in Aberdeenshire when a huge trunk suddenly tumbled in a blizzard.

But a kink in the bough meant the Civic coupe escaped without a scratch.

Driver Mike Campbell, 52, said: "We're quite used to snow in the north east of Scotland but this was heavy even by our standards.

"I'd just pulled off the A90 and was about five minutes from home when I spotted the tree falling down into my path.

"I couldn't slam on the brakes because it was too icy, so I closed my eyes and put my arms over my head fearing the worst.

"It was just a lucky escape – and I'm bloody grateful for it, too!"

RUSSIA ADMITS: THE ALIENS HAVE LANDED!

Medvedev reveals 'secret dossier' and Men in Black-style squads

By SIMON DEAN
simon@sundaysport.co.uk

RUSSIAN Prime Minister Dmitry Medvedev has sensationally confirmed that aliens HAVE landed on earth.

And, speaking in an unguarded moment, the Kremlin's Number Two revealed that Moscow has a squad of Men In Black-style agents to keep the space invaders in check.

Medvedev made the astonishing admission during an interview with five Russian TV journalists when he thought the cameras had stopped rolling.

One of the journalists asked whether the president is handed top secret files on aliens when receiving the briefcase needed to activate Russia's nukes.

He answered: "Along with the briefcase with the codes, the president is given a special 'top secret' folder. This folder in its entirety contains information about aliens who visited our planet.

"Along with this, you are given a report of the absolutely secret special service that exercises control over aliens in our country. Detailed information on this topic you can get from a well-known movie called *Men In Black*."

He added: "I will not tell you how many of them are among us as it may cause panic."

On a less-chilling note Medvedev also revealed he believes in Father Christmas, but added: "Not too deeply. But anyway, you know, I'm not one of those people who are able to tell the kids that he does not exist."

The possibility that Medvedev was joking was dismissed by Moscow watches last night, who confirmed Russians 'have no sense of humour."

Helen happy with Sunday Sport boobs

BUSTY *I'm A Celeb...* beauty Helen Flanagan loves seeing her boobs on the front page of the *Sunday Sport* at petrol stations.

In an EXCLUSIVE interview with Britain's breast newspaper Helen confessed she was "flattered" to be a pin-up for our paper.

And the actress urged readers to keep ogling her fine pair – which she was more than happy to show off in a string of skimpy bikinis in the jungle.

Helen said: "It's so flattering to be in the *Sunday Sport*, and even more flattering to be the *Sport*'s biggest pin-up, even though you cheeky lot always have my boobs in the paper when I'm not expecting it.

"It's really weird, because every time I go to the garage to get petrol I see copies of the *Sport* and I always seem to be on the cover.

"Someone once told me that I won one of your boob awards, and that's fine by me."

The Bury-born lovely, 22, who played Rosie Webster in *Corrie*, went on to stake her claim to future nork prizes.

She said: "I'd be happy to win all your boob awards. The more the merrier. I'm just happy to be in such a great paper."

Housewives' Eva's oral sex nightmare!

DESPERATE Housewives **babe Eva Longoria had an ORAL SEX problem!**

For the stunning TV babe struggled to film a sizzling all-girl love scene in her new movie *Without Men*.

Eva, 37, had to pretend she was being LICKED OUT by her curvy co-star Kate Del Castillo.

In one scene, Kate covers Eva's breasts in kisses before going DOWN on her. The camera zooms in on Eva's face as she's obviously enjoying the oral attention.

But the mouth-watering stunna had a tough time filming the lesbian lust sex romp.

Last night, director Gabriela Tagliavini said: "It was difficult as the two girls are both straight so they were very nervous."

"But Eva was a total trooper and she just went for it. It looked very real."

HAS she put a spell on you yet?

Stunning actress Katie McGrath has been putting in magical performances as sexy witch Morgana in BBC1's Saturday night series *Merlin*.

And fans of the Irish beauty will be glad to know that beneath her hag's costume is a body you'd just love to wave your wand at!

Katie, 29, stripped off NAKED to bare all for the forthcoming fantasy mini-series *Labyrinth*, which is due to be aired in the New Year.

She's seen lying nude on a bed with her pert boobs on display as her character Oriane seductively peels an apple with a knife while one lucky fella looks on.

Merlin – in its fifth season – has been cancelled by the Beeb, and the final show will go out on Christmas Eve.

One production source said: "Saying goodbye at the end of filming was a sad day – because it meant saying goodbye to curvy Katie. As the witch Morgana she was brilliant.

"Who wouldn't want to stir her cauldron, eh?!"

STRIPPED: Katie bares the lot in *Labyrinth* and as she's seen in *Merlin* (*above*)

Titchmarsh a muppet, says Tory minister

A CABINET minister has branded popular TV presenter Alan Titchmarsh a "complete muppet" for criticising the Government's countryside policies.

Owen Paterson, the Environment Secretary, accused the gardener of not paying attention to what was going on.

The rebuke came after Mr Titchmarsh (*above*) questioned the response to ash dieback disease and warned that the Conservative Party had lost its roots in rural areas.

"Time was when the Tory party was the party of the Shires and understood how the countryside works," he said at the launch of the Chelsea Flower Show last month.

"We have to look after agriculture: growing things. This is how we feed ourselves."

But interviewed in the *Daily Telegraph*, Tory MP Mr Paterson – who was brought up in Shropshire and is a keen horserider and huntsman – said: "He's a complete muppet, missed completely everything we're doing."

Kerry: I couldn't lick being a lezza!

OUTSPOKEN Kerry Katona has admitted that she'd be a disappointing LESBIAN.

The reality TV star, 32, says her poor tongue dexterity means she would be crap at rug munching if she ever gave girl-on-girl sex a bash.

Kerry, from Warrington, Cheshire, admitted: "A speech therapist once told me I wasn't good at making shapes with my tongue. She told me I had a lazy tongue – I guess I'd be a rubbish lesbian!"

Meanwhile, *I'm a Celebrity...Get Me Out Of Here!* winner Kerry says she's jealous of Helen Flanagan's body.

She said: "Helen is really entertaining. I don't think she takes her clothes off for attention. She's got a great body. If I had a body like that I'd be getting my clothes off!"

DAVINA, SAVILE & THE GAY CANNIBAL KILLER

Telly babe's shock link with evil fiends

FLESH EATER: Morley *(left)* met his victim on a show hosted by TV's McCall

AN astonishing link emerged last night between TV beauty Davina McCall, pop nonce Jimmy Savile and a gay slayer who ATE his lover.

Hair-dye pedlar Davina, 45, was host of ITV dating show *God's Gift*, which in 1995 screened a controversial-for-the-time gay episode.

It was on that show that warped former Mr Gay UK Anthony Morley met fellow contestant Damian Oldfield.

By SIMON DEAN
simon@sundaysport.co.uk

Thirteen years later Morley murdered Mr Oldfield, before cooking a portion of his flesh with fresh herbs and olive oil and then chewing a piece.

And in a macabre twist, Savile – who had a sexual rather than culinary interest in dead people – provided voiceovers for a later series of the show! Morley, now 40, was sentenced to life in prison with a recommendation that he serve 30 years after he was found guilty at Leeds Crown Court of murdering Mr Oldfield in April 2008.

Slashed

Morley slashed 33-year-old Mr Oldfield's throat before stabbing him and cutting flesh from his body. The jury saw a picture from *God's Gift* which showed Morley wearing just a purple vest while his future victim Mr Oldfield smiles at him. In one frame the pair appear with Davina, former host of *Big Brother*.

The show, which used to be aired in the early hours in 1995-96 was dubbed *'Blind Date* for the post-pub crowd'.

Voiceovers for that series were provided by Stuart Hall, who was last week charged with sexual offences – charges he strenuously denies.

Savile provided voiceovers for the 1996 series of the show.

Telly soft Dick lifts lid on his hardman past

TELLY softie Richard Madeley has attempted to rebrand himself as a HARDMAN – after boasting about mixing with London's toughest gangsters.

Former *This Morning* presenter Madeley, 56, is a housewives' favourite and famously admits crying at books he reads and reviews with wife Judy, 64.

But now the ITV1 star – back on screens last week with *Meet The Squatters* – reckons he's a closet tough nut.

He bragged: "Listen, as a teenage reporter I used to hang out in pubs with criminals – mainly associates of the Krays.

"There are not a lot of situations that scare me. I remember one night at a pub lock-in years ago one guy said something derogatory about Reggie Kray and wouldn't apologise.

"Ten minutes later someone walked in with a claw hammer and smashed it right into the bloke's face – his nose caved in, blood everywhere.

The injured guy just seemed to accept his punishment."

NUT BARED BUM AT COPS AFTER WIFE'S BLACK MAN SEX JIBE

A MAN bared his ARSE at cops during a rampage after his wife told him she'd bonked a black man.

During 37-year-old dad Raymond Farthing's unhinged spree he also:

- **LOBBED** a hanging basket at cops,
- **TERRIFIED** an old couple by standing outside their door holding a bike over his head, and...
- **ABUSED** a Scots police inspector by calling him a "f***ing Scottish c***"

Farthing, of Hardwicke, near Gloucester, pleaded guilty at the city's crown court to a charge of affray on September 16 this year.

The court heard police went to Farthing's home after getting a 999 call and found him in his back garden holding a small child and saying 'I'm taking the kid'.

A policeman sprayed CS gas but it had no effect and Farthing threw a hanging basket towards him.

Cops managed to take the child off Farthing and wrap him in a blanket.

After threatening to knock out one cop, Farthing cycled off on a bike.

A short time later an elderly couple answered a knock at their door and were shocked to find Farthing outside holding the bike over his head and shouting at nearby police officers, 'You ain't seen nothing yet.' He rode off but later pulled down his shorts and flashed hisbottom at the officers.

When one produced a baton Farthing reacted by hurling abuse at him for being Scottish, snarling, 'Why have you come to my country, you f***ing immigrant, you f***ing Scottish c**t'.

Farthing was overpowered, but still kicked out, bruising an officer's ribs.

The court heard that Farthing had a long record for offences of public disorder and Claire Malvern-White, defending, said, "It's fair to say that he and the police do not enjoy a particularly good relationship".

She added that the incident flared up as a result of Farthing's partner telling him that evening 'that she had been sleeping with a black man'.

Farthing was jailed for 30 weeks.

Fry delight at Sunday Sport lines

THE staff at brainy Stephen Fry's telly quiz show *QI* LOVE *Sunday Sport* headlines – and took to Twitter to show their delight.

The *QI* Elves Twitter feed – apparently run by show deviser John Lloyd – told more than 350,000 followers about some of our classic front pages last week.

On our front page headline, they tweeted: "Breaking news. This week's front page headline in the Sunday Sport...*BRIT BONKS SEA LION IN GERMAN SEX ZOO*".

That set off a flurry of *QI* fans suggesting their favourite *Sunday Sport* headline.

One tweeted: "All time favourite: *GORDON RAMSAY SEX DWARF EATEN BY BADGER*".

Another enthused: "Another splendid *Sunday Sport* front page headline: *WORLD WAR 2 AIRCRAFT FOUND ON MOON DISAPPEARS*".

Sharon Warburton of Manchester tweeted: "All time favourite: MARMITE MAD MONKEY BURNT MY HOUSE DOWN".

But not everyone was happy with *QI* repeating our classic gags. Andy Smith of Harrow sniffed: "Why are you tweeting *Sunday Sport* headlines? Not interesting".

DOUBLE TROUBLE: Archie grew fond of fan Rose, who still thinks he's the BBC man

BREAKFAST BILL DOUBLE MARRIES HIS STALKER

LUCKY ESCAPE: Real Bill (*right with Susanna on* Breakfast Show)

BBC presenter Bill Turnbull's amazing real-life lookalike has MARRIED his buxom stalker!

Doppelganger Archie Sexton wed 16-stone Rose Wickham last week, saying: "It makes sense – she follows me round everywhere anyway."

Postman Archie – at 56, the same age as his famous on-screen double – says he's been pursued by Bill-obsessed Rose, 29, since the presenter moved north to front the BBC1 *Breakfast Show* in Salford.

Archie now lives with his new wife in Leyland, Lancashire – just miles from where former St John's Ambulance volunteer Rose grew up in Preston.

He explained: "I was doing my round one day as usual when I noticed a lady with a large forehead staring out of a window at me as I walked up her path.

"As I rooted through my sack to find her mail – looking back, I think it was some DVDs from Amazon – I noticed she was glancing first at her television in the room, and then outside to me. She kept doing double-takes between us.

"So I peered through the window and saw Bill Turnbull fellow reading the news on the BBC1 *Breakfast Show*.

'In the end I just gave in,' says newsman's lookalike

Similarities

"I've been told a couple of times that I look like him, although I can't really see the similarities myself, to be honest."

Archie added: "The next time I dropped her post off, Rose opened the door holding an autograph book.

"She said, 'Please sign it for me, Bill. I'm your biggest fan'.

"I've explained to her over and over again that I'm not Bill Turnbull, and that I'm a postman not a TV presenter.

"But she thinks me going out early in my postman uniform is a cover for my real job in the studio.

"Seriously, she just pats me on the arm, taps her nose and says, 'Shhh. Your secret's safe with me, Bill'.

"For months I couldn't shake her off and gradually grew very fond of her. You could say that in the end I just gave in.

"Now we're married and in love. She's broody, too, so we'll probably have some kids together."

Lovestruck Rose told *Sunday Sport*: "I love Bill. I love Bill. I love Bill."

BBC veteran Turnbull moved to Chester earlier this year so he could front the Salford-based breakfast show with Susanna Reid.

The Eton educated father-of-three, who relocated from Buckinghamshire, is not thought to have ever heard of Rose Wickham.

We were unable to contact him last night.

To be or not to be pissed, that is being questioned

A UNIVERSITY is to investigate a student drama group after its actors got so drunk they needed urgent treatment from paramedics – during a performance of SHAKESPEARE.

Actors vomited on stage, smashed the set and had to be held up by sober friends during the booze-fuelled rendition of the Bard.

The group were staging "Sh**-faced Shakespeare," with thesps deliberately getting drunk while reciting scenes from well-known plays.

Audiences were invited to watch them "tripping, laughing and fruitlessly trying to remember their lines while the rest of the cast desperately cover up their failings".

But the stunt by the Sussex University Drama Society went too far as one female member of the troupe in her early 20s got so drunk an ambulance had to be called to give her medical attention.

President of the society, Jacob Jackson, said: "Some of our actors either drank too much, or didn't anticipate the intense environment of being under hot stage lights."

THE winner of TV juggernaut the X Factor will be announced to the world TONIGHT.

But forget contestants James Arthur, Chris Maloney and Jahmene Douglas – the REAL talent is on the JUDGE'S BENCH!

And with next year's judging line-up still undecided, a battle of the babes has broken out between old favourite Cheryl Cole, 29, and current judges Tulisa Contostavlos, 24, and Nicole Scherzinger, 34.

All three are said to be desperate to impress boss Simon Cowell and land a spot on *X Factor* 2013, alongside regulars Gary Barlow and Louis Walsh.

And there's no question these pop pertlets all have what it takes to land a gig on next year's series – as they all look great on the box!

Girls Aloud star Cheryl flashed a nipple on a night out with ex-hubby Ashley Cole in London back in 2006 and she has never been shy about wearing revealing frocks.

Former N-Dubz singer Tulisa accidentally bared a nip on her 2010 reality TV show *Being N-Dubz* and she looked AMAZING when she donned a tiny blue bikini on a trip to Miami in February this year.

And the brunette babe flashed her kebab to one lucky snappa at a London gig last year.

Not to be outdone in the exposed gusset stakes, ex-Pussycat Doll crooner Nicole showed off her pants in June, on her way to a party in London.

So while *X Factor* fans discuss who the winner of this year's show will be, we profile the babes to decide who has the SEX Factor...

TULISA

WHERE do we start?!

Everyone's favourite chav babe has had one hell of a year.

Officially voted 2012's World's Sexiest Woman by *FHM* magazine, the 34D siren is not shy when it comes to sex.

Famously seen doing very rude things in a homemade sex tape which was leaked online, tasty Tulisa lost her virginity aged 14.

She said: "About 80 per cent of the guys I've slept with were when I was between 14 and 17."

And she Tweeted the world her blushes after a vibrating Rampant Rabbit sex toy went off in her luggage at a Miami airport earlier this year.

At the time she confessed: "I'm human, and yes – I own a Rabbit. I don't see anything wrong with that.

"At least you know that I know how to keep myself entertained – so I don't need any man to do it for me!"

Although she is now dating Newcastle footie ace Danny Simpson, Tulisa has admitted she misses sex when she's single.

She once said: "I've jumped from relationship to relationship all my life.

"This is the first time that I've been single for so long, and it's only been two or three months.

"I miss the physical contact, in an affectionate way – and sexually, too."

NICOLE – we don't like to shun our Brit babes, but her PVC playsuit makes Nic the winner by a cat's whisker.

NICOLE

THE former Pussycat Doll singer is famous the world over for making men wish their girlfriend was hot like her.

And she's had *X Factor* fans drooling this year with her tiny outfits, sexy innuendos and saucy talk of baby oil and balls.

With her long, tanned legs and perfect pair, naughty Nicole is in a class of her own.

Not only is the brunette babe hot, she's funny too – as she sang with *X Factor* protégé James Arthur about "vaginas and big hairy balls"n ITV2's spin-off show, the *Xtra Factor*.

When viewers spluttered as she purred about having "hairy balls" in her "face", she said: "Sometimes you just have to let go."

But Nic takes the Sex Factor crown for pouring her magnificent curves into a red and black PVC corset and fishnets while singing "Happy Birthday", in a Marilyn Monroe-style, at contestant Rylan Clark's birthday bash.

The babe, who is currently dating top Brit Formula 1 driver Lewis Hamilton, even had host Dermot O'Leary blushing when she said: "You obviously have big balls yourself, right?"

Her apprenticeship with the Pussycat Dolls has made Nicole the queen of screen sex appeal – and she's even penned a song called "wet".

Enough said.

GAZZA

The signing they ALL wanted

I HAD a blast from the past this week – thanks to the *Sunday Sport*.

Some old mates from years ago got in touch to see if I remembered them – and I do!

I'd just started at Newcastle and went on my first holiday, aged about 17.

I was stood at the urinal at this bar when this scary Scouser says to me: "You all right, mate?" And I was pissed, so I said: "Oh, like Geordies you Scousers, aren't you?"

So I ended staying with them all the holiday and going to visit them afterwards. They were f***ing mad!

Big wave to Hoppy and the lads!

Losing £500k sponsor was a real Brut

DAVID Beckham has hung up his boots in America – but he still wants to carry on playing, even though he's 37.

I can understand that – I'm still absolutely in love with the game myself.

And any pro is going to want to play at the highest level they possibly can for as long as they can.

Becks has also been talking about buying a club – taking a 75 per cent share in financially troubled Spanish side Malaga – but I can't see him doing that, as it's got to be too much for him.

Besides, Becks is doing all right on and off the pitch, isn't he? I know I wouldn't mind being a few f***ing quid behind him!

Just look at all those amazing merchandise deals he's got.

I've had a few offers over the years, with various brands wanting me to put my name to their products.

In fact, I completely f***ed up a £500k deal once, doing Brut aftershave with boxing legend Henry Cooper!

I was telling the lads at Spurs: "I'm getting a half a million pound deal" and they were f***ing hammering it, the lads.

They were like, "Brut – they only get the top names" and I was like, "Well, you know – that's me!"

So the players gave me loads of stick for that, too!

But when I went to sign the contract, all the press were there, and one of them asked: "Paul, are you actually going to wear Brut?"

I said: "Not really, because sometimes it brings me out in a rash. But what I will do is I'll put a bottle of it into the team bath.

"That way I'll be the only one allowed in the bath – 'cos the lads won't get in there with a bottle of f***ing Brut in it. They f***ing hate Brut!"

Contract

I thought it was really hilarious. But then I saw the look on the face of the people from Brut, they weren't very happy!

And guess what?

They tore the contract up there and then – right in front of me!

The lads thought THAT was hilarious.

I thought to myself: "Hmm, if some big deal comes along like this next year, remember what happened today!"

I'M made up that *Skyfall* has become the biggest British film ever. It's brilliant and well worth going to see.

But as I said a couple of weeks ago, I don't understand why Daniel Craig thinks he's too famous to go into his local pub anymore.

When I go up north to see people I don't go in the locals 'cos I need to avoid the temptation to drink. But here people come up to me and say, "Hi Gazza" and just walk past – and that's nice.

I'm actually thinking about moving back up north from Bournemouth.

But I haven't quite made my mind up yet.

Rafa shows it's a funny old game!

THE BENITEZ situation at Chelsea FC is a bit of a strange one.

I remember seeing all those quotes he said about the Blues when he was manager at Liverpool – and obviously quite a few of the West London club's fans do, too.

He may have been a bit envious of Jose Mourinho and I think he said too much at the time.

What Rafa has got to do now is get results.

I know they won 6-1 the other night but it hasn't helped them, they're still out. And as Champions, going out at the group stage isn't good.

Let's face it – Roman Abramovich doesn't f*** about and he'll want to see results.

To be honest I don't think Benitez was the right appointment ion the first place. He's been out of the game for too long.

I honestly thought it was going to be Harry Redknapp. He's have been perfect.

But the Chelsea players have all the power, not the manager, which I think they know.

Managaers come and go so quickly these days I always say to players now. Whatever you do, play for your fans because you never, ever know when you're going to need them.

The day I had a sex change op!

LAST week someone suggested – tongue in cheek, mind – that Joey Barton should come out as being a gay footballer.

Of course Joey's not gay.

But I can't see any reason why a gay footballer couldn't come out – that lad in rugby did it.

It reminds me of a time with my old mate Danny Baker. I was just walking up the road and someone said to me: "What have you done that for, Gazza? Why are you wanting a sex change?"

I said: "Sex change? What do you mean, a bloody sex change?"

And he says Danny Baker just put it on his radio show that I'm having a sex change and he's taking me home when I've got tits!

That was brilliant!

I've haven't spoken to Danny for ages, and I'd like to get back in touch with him.

It's nice to see my other old pal Chris Evans doing so well but I'm devastated that they're taking Danny's show off him.

He still writes stuff for all the top guys – including Jonathan Ross – and I can't think of anyone I'd rather hear on the radio than Danny.

He's pure class.

Becks eyes the French connection

BACK to Becks, it looks like he's going to end up in Paris, doesn't it?

Obviously his career is coming to an end and Victoria wants to progress with her clothes line and that. So I reckon Paris would be the perfect club for him – and for her.

I know people have said he might go to Monaco and – I'm sure he could command similar money there – but Monaco's only a small stadium. I think it only holds about 10,000 people.

So yeah, Paris Saint Germain, almost certainly. A great last move for him and his family.

AS SURVEYS SHOW WOMEN ARE BECOMING SEX-MAD SUNDAY Sport ASKS...

IS YOUR WIFE A HARLOT?

THERE was a time, not so long ago, when our womenfolk were never happier than when baking a robust pie or tending a well-scrubbed hearth.

At this point, more delicate readers may wish to avert their eyes...

Because today, it seems, the modern woman is not content unless wallowing in the filth of her adulteries, revelling in wantonness and neglecting her domestic duties.

A study released last week revealed that more than 80% of women have watched a pornographic moving picture.

And female expert Paula Hall has just released a book, *Understanding And Treating Sex Addiction*, in which she explains that even the gentler sex can develop an unnatural obsession with lust.

Today it is our painful responsibility to print a simple task so that you, dear reader, can find out if your wife is a saint, or a strumpet.

Good luck...

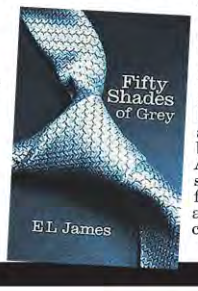
YOU give your wife a new washing machine for Christmas. Does she:
a) Swoon with gratitude
b) Utter a vile oath
c) Sit atop the appliance while it rotates on fast spin cycle, a copy of Fifty Shades of Grey in one hand and bottle of Lambrini in the other

IT is time to book the annual holiday and you settle down with the brochures. Your wife likes the look of:
a) A cottage in the Lake District that she can keep as neat and clean as your own home
b) An all-inclusive break in a sun-kissed resort
c) A lay-by alongside the A19 where she reports "the dogging is fantastic"

WHEN you return from a day's labours, you come home to find:
a) Supper ready, a fire blazing in the grate and a glass of something warming next to your favourite armchair
b) A scene of domestic unruliness with chores unfinished and the wine cellar much depleted
c) A collection of unfamiliar motor cars in your drive and a queue of foreign-looking men, calling, "Me, next!"

YOU selflessly decide to give your wife a hand with the week's shopping. She visits:
a) The best butchers and greengrocers, making sure the week's provisions are of the highest possible quality
b) The nearest superstore, where she fills her trolley with so-called "convenience foods"
c) Pandora's Love Boutique, which sells a variety of apparatus considered unseemly anywhere in Christendom

YOUR wife decides to take out a subscription to a magazine. She plumps for:
a) *People's Friend* or *Family Circle*
b) *Take a Break, Pick Me Up* or some other abhorrence
c) *Ms Anal*



A TRIP to the cinema with your nearest and dearest usually involves:
a) The latest highbrow Bronte adaptation
b) Some ghastly American women shrieking on screen for an hour and a half
c) A trip to some unlit inner city cellar where your wife appears to have taken an unhealthy interest in the groin of the rather strange-smelling man sitting to her immediate right

WHEN selecting a new bedroom suite in a department store in town, your wife considers:
a) The quality and fabric design of the matching linen
b) The ease of changing the quilt cover, pillow cases and bedsheet
c) Whether the bed is up to taking "some heavy f***ing pounding"

HOW DID SHE DO?

IF she scored mostly a): Your wife is indeed a saint in womanly form and you can consider yourself blessed indeed.

Mostly b): alas, your partner is an idler and a slattern. Her slovenly ways are probably the fault of her shrewish mother.

Mostly c): Your missus could give the Great Whore of Babylon herself a run for her money. Behold, her approach heralds the End Times!

BIG FAT GYPSY PORNSTAR!

Billy-Tom O'Connor has pioneered 100% genuine gypsy porn right here in Britain and proved that not all gypsy girls save themselves for marriage.

After his divorce earlier in the year Billy-Tom had the idea to corner the market for genuine gypsy porn never before seen in the UK.

Billy-Tom has achieved more than most gypsy men could ever dream of; as a race car driver he won over 27 championships and over 650 trophies since the age of ten and is also a successful breeder and trainer of racehorses.

Billy-Tom has been inundated with offers of modelling work but has turned them down in favour of becoming the first gypsy porn producer which has not been without its challenges.

Finding 100% gypsy girls to go on camera in the knowledge that it would go against their community wasn't easy but he managed to find these good girls gone bad and the results are now there for you to see!

School Sir filmed up skirts in a supermart

A TEACHER was caught using a shoe camera to film up the skirts of women in a Sainsbury's.

Steven Gabriel-Lee has been forced to quit his job in disgrace after his hidden camera antics were foiled by security guards.

The 38 year-old was spotted sliding his foot underneath the dress of a shopper at a store at Cheshire Oaks shopping complex in Ellesmere Port, Wirral.

West Cheshire JPs heard just three days later Gabriel-Lee, of Stoak, returned to get more images.

But a suspicious shopper raised the alarm after seeing the history teacher at Calderstones School in Liverpool sliding his foot along supermarket aisles.

Police searched his home and found a laptop and memory card containing 19 clips of film captured under his victims' skirts.

The pervert pleaded guilty to two acts of outraging public decency and was handed a three-year community order.

He was also ordered to attend a sexual offender's programme.

It is understood he resigned his job at what was formerly Quarry Bank School where Beatle John Lennon was a pupil.

Chesney: I AM famous

POP warbler Chesney Hawkes has SLAMMED those who said he wasn't famous enough to open a Christmas ice rink.

The One And Only **crooner was booked to open a festive skating venue in Hastings, East Sussex, last week.**

Angry locals organised an online 'Go Away, Chesney' protest, saying the Nineties chart star wasn't a proper celebrity.

But Brit Chesney, 41, says it's made him MORE well-known than ever!

He said: "I'm not famous enough to open an ice rink in Hastings but I am famous enough to have all the papers on the phone!

"Some critics described me as a bit long in the tooth. I do about 80 gigs a year, and I actually have my fourth studio album coming out this month!"

VICTORY FOR Sunday Sport MONKEY HOOKERS BANNED

By SIMON DEAN simon@sundaysport.co.uk

SUNDAY Sport **scored yet another victory for common decency last night – when the vile trade in MONKEY PROSTITUTION was BANNED!**

Two years ago we exposed the scandal of dear little monkeys being ripped from their jungle homes and set a-whoring by wicked pimps in Asiatic fleshpots.

Now the Thai government has moved to BAN the simian flesh trade and proposes stiff prison sentences for anyone caught leasing monkeys out for sex.

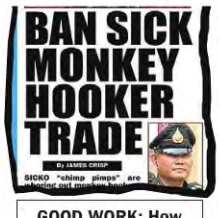
A government spokesman said: "We have been much moved by *Sunday Sport*'s campaign which shone a bright light into some very dark corners of Thai society.

"We have imposed an interim ban on the trade and legislation will be brought forward to end this shame permanently."

Seb Shepherd, for the pressure group Humans Are Animals, said last night: "The Press has come in for a lot of stick recently but *Sunday Sport*'s groundbreaking campaign to stop this wickedness shows the real good newspapers can do.

"Thanks to them, these monkeys can go back to proper monkey pursuits such as eating bananas and throwing shit at each other, rather than satisfying the lusts of fat American tourists."

SICK: Apes are tarted up for sale as sex toys for Yanks



GOOD WORK: How we broke news

Sunday Sport SAYS...

THE very real value of a free Press has been highlighted by Sunday Sport's campaign against the trade in monkey whores.

There are those who would silence newspapers which expose the evildoer – and new Press laws would play into their hands.

Thanks to us, these poor, abused monkeys are free.

It is vital that the Press remains free, too.

"I CAN'T wait to find out who wins the *X Factor* tonight. My favourite this year was Ella Henderson, who has sadly already gone out. She had an amazing voice and I'm sure she'll go on to be the next Adele. But I'll still be tuning in – it's the best thing on the box every weekend by far."

THE amazing craze for women stripping off in public has gone through the roof since *Sunday Sport* revealed the tits-out trend last week!

Lusty ladies up and down the land have been peeling off in public places and then posting cheeky snaps of their bits on the net.

Many of the game-for-it girls have stripped FULLY NAKED in BROAD DAYLIGHT while their partners or pals take raunchy snaps.

Afterwards the girls can't wait to get the pix up on social networking sites such as Twitter.

Laugh

Flasher Jeannie Curtis, 42, from Stoke, said: "There's something really sexy about taking your clothes off where you might get caught out.

"It's a great laugh, too. Now me and my hubby are trying to think up even more outrageous things to do!"

Jenny Smart, 41, from Doncaster, said: "The first time I felt the wind against my naked boobs was a revelation. Now I love to flash!"

Xmas telly is old, repeat ...telly is old

ALMOST HALF of all TV programmes shown on the four main channels during Christmas week will be repeats.

During the festive period, viewers will be faced with re-runs of vintage shows such as *Only Fools And Horses*, *The Vicar Of Dibley* and *Dad's Army*.

The worst offender is BBC2 – with eight out of ten shows repeats.

Meanwhile, those expecting blockbuster film premieres will be left disappointed as three-quarters of all films being broadcast have been shown before.

With more than 98 films hitting the screens, only 23 are network premieres, whereas 75 are old.

Among them are *Toy Story*, *Wallace And Gromit: The Wrong Trousers* and *Gremlins*.

'Monkeys' cop cleared of racial harassment

A POLICE officer accused of comparing three black men to "f**** monkeys" has been cleared of racial harassment.**

Pc Kevin Hughes, 42, said he had been having a discussion about evolution.

He told magistrates he had simply remarked on a man's gait and posture while talking about the scientific theory to another officer.

Hughes, of Ingrave, Essex, had pleaded not guilty to using threatening, abusive or insulting words or behaviour to cause another person harassment, alarm, or distress and an alternative count of racially aggravated harassment.

TV Janet's mushroom willy hell!

OUTSPOKEN telly presenter Janet Street-Porter told an audience of millions of her disappointment at shagging a man with a TINY WILLY.

Street-Porter (*above*), 65, made the revelation when she appeared as a team member on BBC1's *Have I Got News For You* on Friday evening.

She spoke up after fellow guest Susan Calman told how women "automatically" check out a fully dressed man's groin area "to see whether or not it's going to do the business for them".

Ex Channel 4 youth boss Street-Porter immediately butted in, saying: "No, you can't – I've made a terrible mistake. I can vouch for that!"

She added: "I met a bloke who had the square jaw, looked all right, good body image – obviously I didn't have a feel but I felt reasonably confident that I was going to get some exciting action.

"I was confident the evening would end well with something worth spending time with, but no – it was a button mushroom!"

Her team captain Paul Merton sparked laughter when he pipped in: "At least you got something to eat!"

I BIT into a fortune cookie. I thought it was a fortune cookie but it was a custard cream mum had hidden a first class stamp inside!

CASH FOR GASH: Sarah was forced to turn to escort work after she racked up huge debts

By JUSTIN DUNN
justin@sundaysport.co.uk

A CASH-strapped student shackled to pay-day loan company debts slept with FIFTY men for cash in a desperate bid to pay them off.

The pretty 21-year-old, who we've agreed to call 'Sarah', says she turned to high-class escort agency work after reaching her "wits' end" with her finances.

Sarah, studying modern history at a Midlands University, works part-time as a barmaid to help make ends meet.

But she still managed to rack up an astonishing £12,500 in debts to several of the pay day loan companies, who were recently told by the Government to clean up their act.

London-born Sarah said: "It started earlier this year when my car broke down and I needed £300 to get it repaired.

"I didn't have the money at the time, but it was either find it from somewhere or have no car to get around in.

"I saw an advert for the payday loan firm on the television and rang the number. I was amazed how quickly it all went through.

"I borrowed £500 to start with so I'd have some extra left over after paying for the car. And that was where the nightmare began."

Two weeks after taking out the loan, Sarah was due to pay the whole sum back – plus an £89 processing fee.

"That was basically almost 20 per cent interest on money I'd only had for two weeks," she said.

Nightmare

"I know they point this out in the adverts but that's the last thing on your mind when you need the cash.

"It meant that not only were all my wages from the pub gone, I was also nearly £90 down before the month began.

"So I had to take another loan to cover that gap – and it became a vicious circle."

In order to avoid missing the loan repayment and taking on extra charges, Sarah then decided to approach another short-term loan company to cover the first.

"It was madness," she said. "I was taking from Peter to pay Paul. But then Peter had to be paid back, too, so I would find another loan company, and then another one.

"The £12,500 racked up in no time – a third of it was in 'processing fees' and interest alone."

She added: "I finally broke down in tears and told a friend about the sort of trouble I was in. I was so upset.

"But she told me about the high class escort work and said I was certainly pretty enough to do it.

"It cost the guys £400 a night but £150 of that went to the agency. I got the rest, but it still meant I had to sleep with fifty men before all the loads were paid off.

"Thankfully I'm free of the debts now, thanks to the escort work. I'd never use a pay day loan firm again, but I do a few nights a month with the agency to keep me afloat.

"I just want other people to read this and take it as a warning.

"The payday loan companies seem cheap and attractive at first but it's so easy to get into deep trouble with them." Last week it was announced that the UK's new financial regulator will be given the power to cap the total cost of short-term loans provided to retail customers by payday lenders.

The Financial Conduct Authority will limit the interest rate and other costs charged to low-income borrowers. Debt charity StepChange reckons more than 30,000 people in the UK will have asked for help with high-cost loans by the end of 2012.

KIM EXECUTES GENERAL OVER 'SEXY' WEB SPOOF

A GENERAL who made the mistake of sniggering at a prank played on North Korean dictator Kim Jong-Un was EXECUTED.

Hapless Fan Li-Pang chuckled at a "news" story about the 28-year-old tyrant being named the "world's sexiest man", when it turned out to be a spoof.

American satirical newspaper *The Onion* named Kim as the "sexiest man alive" – and the joke was repeated as a genuine story by *People's Daily*, the newspaper of China's Communist Party.

By BARNEY SAMUELS
news@sundaysport.co.uk

Joke

After days of strutting Kim discovered the accolade was a joke and that the world was GUFFAWING at him.

And it was General Fan – who served both Kim's father Kim Jong-Il and his grandfather Kim Il-Sung – who caught the youthful leader's wrath.

A source from North Korea's capital Pyongyang last night told *Sunday Sport*: "The Leader was unbearable. Anyone who so much as looked at him sideways was taken out for a beating from the security police.

"General Fan made the mistake of sniggering when Kim referred to his humiliation during a meeting of the National Security Council.

"Kim snapped and had General Fan taken out to the car park and shot. It took just minutes."

Quoting *The Onion*'s tongue-in-cheek report, the *People's Daily* wrote: "With his handsome, round face, his boyish charm, and his sturdy frame, this Pyongyang-bred heartthrob is every girl's dream come true."

She said: "I love pampering myself. I try every trick to keep my body looking fantastic.

"I do Pilates to keep my legs toned and I'm always jogging, so my arse is unbelievably pert.

"In fact, my friends all enjoy giving it a squeeze when they see me. I have just found a fantastic new cream that helps keep my boobs pointing skywards.

"I let my boyfriend rub it – a job he doesn't mind at all!"

Dog sex farm boss to face court rap

A MAN accused of letting a Brit BUM DOGS in his bizarre bestiality farm is finally to face charges.

Douglas Spink, 41, has been in jail since 2010 after videos recovered from his home showed Stephen Clarke, romping with a Great Dane, a mastiff and an Alsatian.

The 52-year-old (*above inset*), of Peterborough, Cambs, was caged for 30 days and deported from America after pleading guilty in Bellingham, Washington State, to animal abuse.

Four stallions, seven large male dogs and a cage full of 13 mice coated in a lubricant, were also recovered from Spink's home.

Spink, who allegedly shot the videos, was NOT charged with violating the state's animal cruelty law but was found guilty of probation violations.

Prosecutors hope new charges will lead to him being banned from owning animals.

According to the new charges the tapes show Spink (*above*) talking with Clarke about the animals' sexual prowess while the Brit was having sex with the dogs.

Campaigning bike 'martyr' was killed on cycle outing

A KEEN cyclist who dedicated his life to campaigning for safer roads was killed by a car knocking him off his bike, an inquest heard.

Retired university lecturer Mark Brummell, 53, was hit by a Renault Scenic at a crossroads while out on a leisurely evening bike ride after work.

The passionate cycling fanatic had been a leading member of a cycle safety group for the 10 years since his retirement, did not own a car and pedalled everywhere.

He was knocked off his bike by driver Stephen Chard as he enjoyed a 30-mile ride through the New Forest, Hants.

Paramedics rushed to his aid at the crash spot at Ipley, but Mr Brummel died later in hospital.

Chard, 59, of Highcliffe, Dorset, was banned from the roads for a year after pleading guilty to causing death by careless driving before Southampton JPs.

The coroner recorded a verdict of accidental death at the inquest in the city.

A fellow cycling campaigner said: "Mark was a stalwart member of our group and a dear friend. He will be remembered as a martyr."

Lord of the Rings midget flashes todger on train

LITTLE TINKER: Cops want to trace the hobbit train flasher who was caught on CCTV

SHOCKED rail passengers were left terrorised after a drunken hobbit flashed his precious PENIS at them on a train.

By NEIL GOODWIN
neil@sundaysport.co.uk

Movie fans will be crowding into cinemas next week as director Peter Jackson's *Lord Of The Rings* prequel *The Hobbit* hits our multiplexes.

But for many commuters in Cardiff the film will bring back painful memories, after they were forced to witness a dwarf fantasy fanatic airing his pork sword and fleshy knapsack in public!

The incident, caught by the train's CCTV cameras, happened last week following a *Lord Of The Rings* convention in the Welsh capital.

Police have appealed for information in catching the so-called Bilbo Baggins Bandit.

One traveller, Daniel Bythell, who saw the spectacle, said the pipsqueak cock-flasher was in full fancy dress and pretending to smoke a hobbit pipe.

Student Daniel, 19, said: "The hobbit was clearly very, very drunk. He was staggering around the carriage insulting people.

Unzipping

"He called one lady a 'fat orc' and then shouted, 'Do you want to see the jap's eye of Sauron?' before unzipping his flies, squatting on the floor and whipping-out his willy.

"It was pretty horrible."

A police source said authorities had already identified a potential suspect.

Our mole added: "There aren't too many dwarf *Lord Of The Rings* enthusiasts in south Wales. It shouldn't be too long before this fiend is apprehended and made to pay for his crimes."

The brazen hobbit is described as standing at around 4ft tall, in his mid-forties, and with shoulder-length brown hair.

Jackson's *The Hobbit: An Unexpected Adventure* is based on J. R. R. Tolkien's 1937 book and stars Martin Freeman as Bilbo Baggins.

Model gran flogs worn knix online

THE world's oldest glamour model now sells her worn KNICKERS online.

Sexy granny Annette Edwards, 61, was recognised by Guinness World Records earlier this year as the oldest published topless newspaper model on the planet.

Now a mum-of-10, nan-of-nine and great-granny-of-two Annette is flogging her USED panties for £30 a time!

The 36DD beauty, from Worcester, explained: "I had so many fans contacting me on my website asking, 'Can you send me your knickers?'

"In the end I just thought, 'Why not?' People send me all sorts of requests, asking me to wear them to bed and do things to myself before sending them back.

"The response has been phenomenal!"

Speaking about her boobs-out modelling, Annette added: "I don't see why I should have to stop just because I qualify for a bus pass.

"A lot fans like their ladies to be mature!"

EMBARASSED barmaid Jenny Price was left red-faced after suffering this unfortunate T-shirt malfunction.

The 27-year-old had been modelling a 'Try An Ale' top, but a fold in the material combined with an unfortunate camera angle make it say, 'Try Anal'!

Jenny, who's also studying to be a legal secretary, said: "The lads behind the bar haven't stopped sniggering yet."

THERE are lots of things you can do when the Beast from the East hits the country this week.

Firstly, don't forget to make sure the oldies in your family and street are all right – it doesn't take a lot to be a good relative or neighbour.

Then wrap yourself up tightly in a duvet with a warm partner – and be a Beast in the Bedroom!

'Filthy home' man is given monkey ban

A MAN who kept two pet marmosets on a curtain rail and put them in his POCKET as he drove around town has been banned from keeping monkeys.

Cruel Peter Powell, 53, had let his pets live in their own smelly mess surrounded by "hundreds of cigarette butts", JPs heard.

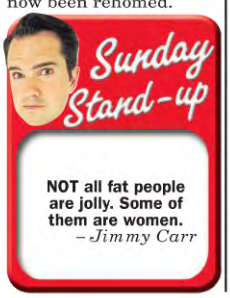
When he went out in his mobility scooter, Powell would put the pets in his pockets.

As well as the life ban, he was also given a two year conditional discharge and must pay costs of over £2,000.

After the sentencing, an RSPCA spokeswoman said she had found a razors, cigarette butts, and faeces scattered around Powell's home.

Powell, of Plymouth, had pleaded not guilty of cruelty and neglect but had failed to turn up for the hearing.

The marmosets have now been rehomed.



NOT all fat people are jolly. Some of them are women.

X-MASSACRE!

Sick snomen stunt slammed in wake of prank tragedy

SICK pranksters left decapitated SNOWMEN on wasteland opposite a school playground.

The practical jokers even doused the headless snowmen in fake blood – and made a snowdog with red stains splashed around its jaws.

The site caused terror for youngsters leaving a primary school near Ashton, County Durham.

By JUSTIN DUNN
justin@sundaysport.co.uk

One distressed mum told *Sunday Sport*: "A joke's a joke but as we've seen with events surrounding the Duchess of Cambridge and the Aussie hoaxers, people don't think about the consequences.

"My two were really upset. They were really looking forward to building their own snowman but now they're far too frightened.

"I just hope they don't get nightmares about it."

Parents and teachers hosed the gruesome killer snowmen away using hot water.

IN THE KNOW WITH MIKE STARR

BRITAIN'S No.1 SHOWBIZ COLUMN

PERTLET POPPY HOOCH is in hospital – again – thanks to an ill-advised trip to a bargain emporium in Walsall.

The famously-stroppy ex of CHOPPED LIVER frontman JUSTIN FLAPS bought some cheap cat litter, thinking it was posh granola.

The subsequent reaction brought on one of her infamous yelping fits and the shrieking was heard in the next parish!

FORMER music hall legend **DANNY "THE MINCER" BATTY** has strongly denied any wrongdoing after being questioned for the third time by cops from **OPERATION BARESCROTE**.

Flamboyant Danny, now 89, has been implicated in an "unpleasantness ring" involving several showbiz icons from the olden days.

His spokesman and "life companion" **LIONEL BUTTER** lisped: "Danny can do without this sort of thing at his time of life. He's not been well...all torn, you know."

YET more copies of "those" infamous snaps featuring CELIA KETTLE-THROPE-MYNGE have dropped into the Mike Starr inbox again – but we CAN'T print them, folks!

Celia, third daughter of the DUCHESS OF DAVENHAM, took out no fewer than THREE injunctions to prevent their publication.

But after looking at the pictures once again, I'd say it's not a lawyer she needs – it's a DOCTOR!

FOOTIE pundit **GEOFF MUTE** may have cause to regret an outburst at the trendy **JIMMY BROWN'S** nightspot in Kidsgrove.

Geoff, who had been at an after dinner gig for the local spoon crafters guild, was "well on his way" when he arrived at the club, famous as Staffordshire's top discotheque.

When bouncers told him he was "too old" for admittance, Geoff apparently became somewhat "politically robust".

And a vanload of constables was then summoned!

BIZARRE performance artist KINKY TINKLE may have run into trouble after her latest exhibition at COMBERBACH VILLAGE HALL.

The "challenging" ex of HUMPER drummer MIKE BRUINEYE displayed 300 French Fancies - upon which she'd imprinted an intimate of her body.

Promotional flyers for the "Ct Cake" show went all round the village – causing one retired major to have what's been described as "a minor seizure".**

THE SHOCKING STORY THAT WILL MAKE SANTA WEEP

TOY SHOP TEEN BONKS YOUNG MUMS... IN EXCHANGE FOR FURBYS

LITTLE SHOP OF HORRORS: This beast has been preying on mums desperate to buy the furry toy

AN unscrupulous toy stall worker is exploiting young mums desperate to buy their children a Furby – by asking for SEX in return for the robotic toys.

By SIMON DEAN
simon@sundaysport.co.uk

Vile Anton Dudikvic asks the retail price of £49 for the hard-to-come-by items...but suggests a "sweetener" from any pretty MILFS who visit the south London market stall he runs on behalf of a shadowy eastern European gang.

And that sweetener is SEX!

Originally a hit toy in 1998, thanks to a combination of cynical marketing and the general soft-headedness of the British masses, the Furby is once again this year's must-have Christmas gift.

Oblivious to the fact that after around three-and-a-half minutes play, the gurgling robo-knickknacks will be consigned to the back of a cupboard, weak-willed parents are willing to shell out up to £150 for just ONE Furby.

Some shops have even reported parents offering BRIBES to get their hands on one.

And mothers, it would seem, are even willing to sacrifice their virtue for one of the playthings.

Acting on a tip-off, our man dressed in women's clothes and pretended to be a young mother, frantic to get her seven-year-old daughter a coveted purple-and-pink Furby. Ukraine-born Dudivik at first pretended to have sold out of the toy, until being told by our "mum" that she'd do "anything" for one.

Immediately, his attitude changed and, his lips slavering with Slavic lust, rasped: "We can come to the 'arrangement' in the back.

"You do Anton favour, I do you favour, as we say in Kiev. How much you want the Furby, lady?"

With evidence of the toy-vendor's extortion on tape, our "mum" made "her" excuses and fled.

Later, when confronted with his low-level criminality, Dudivik babbled: "It was old Ukrainian joke...I mean nothing by it."

This Furby fiend will have to hope the judge has a sense of humour, because a dossier of our investigation is in the Christmas post already – on its way to the authorities!

Sunday Sport SAYS...

CHRISTMAS. Once a time when Christians celebrated the birth of our Lord Jesus.

Now Yuletide is nothing more than an orgy of snarling commercialism.

That some women are apparently prepared to sacrifice their virtue in return for a mere toy shows how this holiest of times has become little more than a sordid bacchanal.

The eternal angels who looked down on the glory of the Nativity must weep bitter tears.

DON'T METH ABOUT, KIDS!

New anti-drugs advert shows the shock effect of crystal meth addiction

BEFORE & AFTER: Crystal meth users' changing looks recorded in campaign ad

By JUSTIN DUNN
justin@sundaysport.co.uk

A TERRIFYING new ad campaign shows the truly devastating effects of the drug crystal meth.

Use of the banned substance is on the rise in the UK – although it has yet to reach the near-epidemic levels of the States.

Now Yank anti-drug activists have launched a campaign showing the horrifying face-ravaging effects of crystal meth.

Disgusting sores and scars from scratching when users hallucinate about having bugs under their skin, decayed and ground teeth leading to the gaunt "meth mouth" look, and muscle wastage.

Deputy Bret King, from the Multnomah County Sheriff's Office in Oregon, began compiling pictures of users eight years ago.

He said: "People need to know what happens when they use this rubbish."

CHRISTINA AGUILERA

Christina 'Comfy in the nude'

RAUNCHY Christina Aguilera has admitted she loves being NAKED.

The *Dirrty* singer chose to appear nude on the cover of her seventh studio album *Lotus*.

It shows her rising out of a blooming flower with her flowing locks covering her breasts, mermaid-style.

Christina (*above*), 31, revealed: "I like to be free. Sometimes, the less clothing, the better!

"I'm just comfortable in my skin and my body."

The album cover has brought some criticism, with one blogger comparing the image to Saruman from Lord of the Rings.

But defiant Christina said: "I embrace my body, and I embrace everything about myself.

"Coming full circle is a celebration of freedom and happiness because that's what my new album *Lotus* is representing.

"I'm embracing everything that I've grown to be and learned to be."

Cops angling for cannibals

TWO suspected cannibals are being hunted after the remains of their pal was found.

Cops believe the pair scoffed their friend to stay alive after getting lost on a fishing trip.

Alexander Abdullaev, 37, and Alexei Gradulenko, 35, fled hospital after being rescued from a forest 150 miles from the nearest town.

Police had found "human bones and fragments of a skull" near the Sutam river in Siberia, Russia.

A fourth member of the group is also missing, sparking fears he too may have been murdered and cannibalised.

10 THINGS YOU DIDN'T KNOW ABOUT... SNOW

LAST week saw many parts of Britain dusted with a light covering of snow – naturally bringing our transport links to an iced-up standstill.

Stansted Airport was closed for more than two hours while rail passengers faced delays and cancellations even worse than they normally suffer.

And motorists – especially those in BMWs – seemed, as usual, unable to comprehend that driving in snow needs "a bit" more care, thus turning our motorways and trunk roads into slippery versions seen on *The Wacky Races*.

While we grumble about it as adults, kids seem to absolutely LOVE it.

Here's 10 things you didn't know...

1 IT is a myth that Eskimos have 100 different words for "snow". The myth began in 1911, with the publication of *The Handbook of American Indian Languages* by linguist and anthropologist Franz Boas.

2 THE average snowflake is made up of 180 billion molecules of water and falls at a speed of 3.1mph.

3 THEY are always hexagonal but the majority are not perfectly symmetrical – uneven temperatures, dirt and other factors usually cause snowflakes to be lopsided.

4 ENOUGH snow fell in Britain on February 2 for everyone in the country to make a quarter of a million snowballs each.

5 ACCORDING to the Guinness Book of World Records, the largest snowflake on record measured 16" wide and 8" thick. It was observed in Montana, USA, in 1887 and was described by witnesses as "larger than a milk pan".

6 THE world's largest snowman was actually a snowwoman. Residents of Bethel, Maine, built the 122ft giant in 2008 – giving her 30ft spruce trees for arms and skis for eyelashes.

7 AROUND 12 per cent of the Earth's land surface is covered in permanent snow and ice.

8 JAPANESE scientists have developed a snow-eating robot, fitted with GPS, which shovels snow from your drive and compacts it into ice bricks.

9 THE heaviest snowfall in the UK was in 1695, when it snowed every day in London for five weeks.

10 A SINGLE snowstorm can drop more than 39 million tons of snow, carrying the energy equivalent to 120 atomic bombs.

BUSTY Sammy Braddy says her boobs are so BIG she prefers to be topless all the time!

The sexy 32GG model said: "Because my bras are massive, it feels so good to whip them off – it's like a breath of fresh air!"

Sammy, from Chelmsford, Essex, added: "My friends are used to me going topless all the time. Whenever they pop round I'll be lounging on the sofa watching a DVD – with my boobs out."

And speaking about her female admirers, the 27-year-old said: "I've met new people and they say, 'My husband has your calendar up our kitchen'."

CAPTION CONTEST

WIN £50

THIS WEEK

WELL folks, you piled in with a load of entries for last week's Caption Contest.

And, after sifting through them all, we needed a good kip – just like the boozed-up lot on the photo *(below, right)*.

This week's winner is **Carole Taylor** of Stourbridge with: "When I asked for a threesome, unfortunately it turned into a three-SLUM!"

And these runners-up made us chuckle, too:

Robert Lennox of Newtownabbey: "After entering the EU, Bulgaria's hotel accommodation has improved greatly."

Jodie Dutton, Kinmel Bay: "Football latest... and here on the substitute's bench four of the best dribblers in the game."

Richard Webber of Bristol: "Many people have switched to National Excess."

L Fardy of Leeds: "This is what really happens to the *I'm A Celebrity* contestants who are voted out of the jungle."

Marie Gallen, Worcester: "Brace yourselves lads, I think I'm going to be sick."

Gerry Exall, Weston-super-Mare: "Looks like their troubles are piling up after the office piss up."

Steve Sheppard from Doncaster: "I said it was an error televising parliamentary debates."

Now it's YOUR turn to see if you can win £50 with your wits.

Just come up with a caption for the pic on the left, fill in the coupon below, and send it to: *Caption Contest, C/O Sunday Sport, City View House, 5 Union Street, Manchester M12 4JD.*

Entries must be with us by Friday.

The caption we reckon is the funniest gets the dosh.

IT'S THE GILF NUDDY PHOTO CRAZE SWEEPING THE NET...

INSTAGRAN

Instagram
Fast beautiful photo sharing

By SIMON DEAN
simon@sundaysport.co.uk

THE rise of the 'Silver Surfers' has been *the* internet sensation of 2012 – with millions of the over-sixties joining the Net, as though it was some cyber queue at the virtual post office.

As we all know, the worldwide web is at its best when swapping saucy pictures, and grey-haired GILFs (That's GRANNIES I'd Like to F***) are no slouches when it comes to that, either.

Fiddle

Thanks to the latest photo-sharing applications like hugely-popular Instagram, grannies can post saucy snaps of themselves on social networking sites – and give younger would-be lovers a gigabyte of glad eye.

Dorothy Blowes of Crewe, Cheshire, told *Sunday Sport*: "There was a time when everyone thought the internet was just for young people – well it's not.

"And it's the same for sex. There's many a good fiddle had on an old trumpet – as me mother used to say."

The 85-year-old *(above, right)* added: "Of course, she went daft in the end. But that was because of that bloody Doreen and what she did. State of her nets!

"The slattern. And that's cursing."

DOROTHY, 85, FROM CREWE

WITH HANNAH CLAYDON 25, 30FF-24-32 FROM WAKEFIELD

I BEDDED SAUCY SHOP WORKER... IN A BED SHOP!

Dear Hannah,

I'VE only been married for 18 months but I've already started to shag around.

Me and the missus have actually been together for six years and after scrimping and saving we bought our dream home together.

One evening after work, I walked into a department store and took the lift up to their bedding department.

Honestly, my intention was to make our bedroom fit for a queen.

But it was the end of a very long day, and the shop was completely empty – apart for an assistant who spotted me and came over.

She was drop-dead gorgeous, and we soon got talking about the merits of sleeping in comfort.

As we chatted I couldn't help but notice the tell-tale bumps under her tight, black skirt of a suspender belt and stockings — which I just find totally irresistible.

She told me that they had just taken delivery of a new line of waterbeds and suggested we tried one out.

So I got on the right side while she got on the left and as we lay on the bed our bodies pressed together.

I was turned on and couldn't help myself as I pulled her head towards mine and kissed her full on the mouth.

Explode

She responded by moving her hand down to my crotch and massaged my already rock-hard cock.

I whipped off her jacket and began to undo the buttons on her blouse to reveal a fantastic set of 36DD jugs heaving out of a white, lacy bra.

The blood pumped through my manhood as she unzipped my trousers and slowly w*nked along its full length.

I thought I was going to explode when she bent over and took my glistening tip between her lips.

Not wanting to hang around I rolled her over and pulled her hips towards me as I lifted her skirt up round her waist and for the next 10 minutes I thrust into her doggy-style until we both enjoyed simultaneous orgasms.

Afterwards I couldn't refuse her when she signed me up for a three-year HP agreement on the waterbed.

But the assistant rang our home yesterday and said she wanted a repeat performance – as they've just had a delivery of a brand new vibrating Swedish bed.

And if I don't turn up she's threatened to tell my wife all about our sex session.

It's killing me now, as I'm up to my eyes in debt and every time I look at the water-bed at home I feel racked with guilt.

She's put me in a terrible position.

Should I try the Swedish massaging bed or order her out of my life?

AC, via email

Hannah says:

YOU had your bit of fun and it could be time to face the consequences.

However, if you want to stay with your wife, turn the tables on the shop assistant. Tell her that if she doesn't stop pestering you, you'll inform her bosses what she's been up.

If she values her job, she'll soon drop her blackmail demands.

Dear Hannah,

SOMEONE sent me a dirty greetings card through the post at work.

It came in an envelope covered in perfume and the message inside read: "I want you to f*** me hard and fast."

I had a suspicion it was from a woman in accounts – she's always giving cards to people in the office and she's dead flirty with all the lads.

But when I asked her if she'd sent it, she laughed and told me it was from a fat bird who works with her.

So I thought 'f*** it' and approached the fatty – and ended up spunking all over her tits in the women's bogs, after work one night.

I haven't f***ed her yet but she gives great oral.

Should I give her one?

TC, Norfolk

Hannah says:

DEFINITELY – larger ladies are usually more grateful for the attention. I bet she goes like a shithouse door when the plague is in town!

Dear Hannah,

I'M a horny 19-year-old girl who has no shortage of boys – or sex.

But on holiday in Corfu earlier this year, I enjoyed prick-teasing the men almost as much.

I had no trouble in pulling guys on the beach because they were longing to get their lengths inside me.

I sunbathed topless – wearing just a tiny thong – and after letting one lad smother me with sun cream, I allowed him to finger me to orgasm.

But when he wanted full sex I firmly refused and told him to piss off.

Later on the same day, a handsome Greek guy assumed I was up for sex when I enticed him in to the sea for a naked swim. But I tormented him by swimming out of his reach and I wouldn't let him near me – even when he begged.

After w*nking himself off he swam back to the beach.

I did enjoy sex with anyone I fancied – sometimes on the beach, hidden behind sand dunes and often in the sea.

Best of all though was a great threesome with two lucky lads during a midnight swim in the hotel pool.

Back home, my girlfriends say my prick teasing was playing with fire.

But surely a little teasing can't do any harm?

Can it?

RH, west London

Hannah says:

I AGREE with your pals. It can be a dangerous game to play. Why not give them a cheeky handjob or blowjob?

Dear Hannah,

I'M a 43-year-old single mum with a daughter who has just turned 18.

A couple of weeks ago I came home early to find my girl and her boyfriend totally naked and having sex.

I went ballistic and slung the lad out, followed by his clothes.

It wasn't just that they were having sex – it was that it was unprotected.

A few days later, while my daughter was at college, the boy came round to apologise and plead with me not to stop her seeing him.

As we talked, he admitted that he was too embarrassed to go into a shop or public toilets to buy condoms.

I smiled at his innocence and as I keep the odd one or two in my bedside cabinet, I asked him to follow me.

Taking one out, I laughed and jokingly said: "See if this fits."

To my utter surprise he then dropped his trousers to reveal seven inches of rigid 18-year-old cock.

I didn't know what to say – I was so shocked – but I did admit I was very taken by him.

I cupped his balls in my hand and massaged them as he groaned with pleasure. I took him in my mouth, slowly slipping his full length to the back of my throat.

He moaned even more and it wasn't long before he exploded heavily.

I stood up and gently pushed him back on the bed. We kissed and soon he was rock-hard again.

I rolled the condom on him and lowering myself on his erection I suddenly forgot where I was and entered a state of sexual bliss.

I've had bigger ones up me, but none so hard and I rode him for all I was worth as we both came to a shuddering climax.

This timid teenager was suddenly acting like a self-assured stud and taking charge, he rolled me over and continued to shag me doggy-style before we both collapsed, exhausted.

He's since been back for more but I'm feeling guilty about cheating on my daughter with her fella.

Should I end it?

BT, Merseyside

Hannah says:

YOUR daughter will never speak to you again if she ever finds out – end this NOW!

Real girls getting 'em out

Lisa, 24 from Rotherham
I hope I don't look too mental here! We were getting ready to go out and my mate Kelly was taking pictures. I'd had half a bottle of vodka (just a half bottle!) and just whipped 'em out for a laugh! You like?

The girls who get 'em out are the genuine partners of Sport readers and have no connection to any of the adverts that appear on these pages. If you want to be a star without a bra send your picture to realgirls@sundaysport.co.uk and we'll get back to you

Kinky sex club gets the nod at Harvard

STUFFY Yank posh school Harvard has formally recognised a student organisation that promotes "kinky and alternative sex".

Harvard is the oldest institution of higher education in the United States.

But the newly-official Harvard College Munch club joins 400 student societies including the Harvard University Choir, the Composers Association and the Mathematica Club.

The new club is for students with an interest in bondage, discipline, sadism and masochism, as made popular by EL James' best-selling novel *Fifty Shades of Grey*.

Its name, "munch" has previously been used to describe groups of people interested in alternative sex.

There are already 30 active members but a Harvard spokesman said: "The college does not endorse the views or activities of any independent student organisation."

In a statement, founders of the group, who have remained anonymous, said it would "meet an otherwise unaddressed need on campus".

They said the club would "promote a positive understanding of alternative sexualities and kink".

JUNKIE PETE IS BANANAS FOR CLEAN LIVING!

By NEIL GOODWIN
neil@sundaysport.co.uk

JUNKIE rocker Pete Doherty says he now prefers BANANAS to smack.

The recovering drug addict and former Libertines frontman says he'd rather have a lie in and bit of fruit than get smashed off his nuts.

Pete, 33, revealed: "It's not actually that exciting to be f***ed up all the time.

"The rush that you get from having a good night's sleep is so exotic – to feel powerful and clean, capable and potent, as opposed to washed-up, impotent and mute.

"The difference when you've rested and had a banana in the morning, it's outrageous!

"You can scare yourself sometimes with what a bit of healthy living can do."

Mental

Pete, who stars in new film *Utterly In Seine*, also fears that his love of Class As has turned him mental.

He revealed: "The other day I really hadn't slept since last week's gig at Brixton Jamm, and I was coming home on the Eurostar.

"I fell asleep for an hour, woke up and didn't know who I was.

"I was completely devastated and I burst into tears.

"The train manager asked me, 'What's the matter?' So I told him straight, 'Look, I don't know who I am. I don't know where I am'.

"He said, 'You're Peter.' And I was going, No, no – I'm not'.

"Then bang, everything flooded back. I got my bag and ran off. But it was a really horrible feeling and I can imagine it in a few years just lasting longer and longer."

Students talk SEX

'I got myself a vibrating rubber ducky for the bath'

BIG WILLIES

CHRISSIE: So now it's truth time – do you like your sausage short, fat, long or thin?
ALLY: I'll be honest I'm not that bothered – unless you're talking tiny todger territory? In an ideal world, I wouldn't want anything below four inches – that's about the minimum. I reckon about five or six is the right amount and a decent girth too. That's probably average, isn't it?
CHRISSIE: Who knows? It may be coming up to Christmas but as far as I'm concerned Chipolatas need not apply. I'll have them with my Christmas dinner but that's it! I have my own slogan, 'A Chipolata is just for Christmas, not for life!' I wouldn't endure small sausage sex for love nor money.
ALLY: Sounds like you like them quite big then?
CHRISSIE: Well I'm not saying he has to be walking like John Wayne with it slung over his shoulder, but I do specify that I like them to be no smaller than six inches.
ALLY: Yee-hah to that!

FAVE POSITIONS

CHRISSIE: What is your favourite thing to do in bed?
ALLY: God, there's quite a few – although my man got my to do something the other day which was quite fun – he called it something random like the Stocking Filler or something. Bless him, I think he's getting pretty excited about Christmas.
CHRISSIE: Kinky, what does that involve, him dressing up as Santa?
ALLY: Ha ha – although is it weird if that's a fantasy of mine? I'd love to sit on Santa's knee and unwrap his big present. Anyway, I lay near the end of the bed with my head nearly hanging off it.

He knelt between my legs, then lifted my legs up so my ankles were on either side of his head, then I wrapped them round his neck.

He stayed sitting up and slipped himself into me and slowly thrust back and forth, holding on to my thighs to hold me in place and holding my legs together so it felt tighter for him.

It wasn't that hard but felt amazing – but you'd have to be flexible, which I am. How about you?
CHRISSIE: I quite like sit-down sex. I think it's best when my fella is sat on the sofa watching TV.

If I start feeling horny I'll slip my hand down his waistband and start massaging his cock.

When I've dragged his attention away from *Match Of The Day* I'll straddle him and pull his jeans and boxers off, then I'll slip off my panties, swizzle around so I have my back to him and lower myself on to his lap.

Then he can still watch the telly and I'll rock back and forth on his big hard cock. I've also got my hand free, or his, to finger me and play with my clit while I bounce away – and he can play with my nipples at the same time! Bob's your uncle!
ALLY: Ooh, that sounds pretty fit I might try that this weekend.

BLOWJOBS

ALLY: Do you like giving head?
CHRISSIE: Yeah I'm fine with it, it's one of the things I like doing the most, and my man loves how much it turns me on too. I really get stuck in, it's like an art form.

I twizzle my tongue around the tip, then up and down the shaft. Then I gently take his balls in my mouth and suck them really gently, then I flick my tongue in between his balls and underneath them, then I go back to his cock and take it all in my mouth slowly and slip it in and out.

I'm really good at deep throat so I can take it in pretty far.
ALLY: Crikey. Do you swallow?
CHRISSIE: Do bears shit in the woods? Course I do, I love lapping up my man's jizz. The only time I don't swallow is if I get him to pull out and come all over my tits.
ALLY: Keeping with the festive theme, I have a little Christmassy pre-blowjob move called Jingle Bells.
CHRISSIE: What on earth is that?
ALLY: It's basically a bit of tea bagging, which is always a well-received classic in my experience.

Last year I was inspired and got my man to dip his balls in green and red icing leftover from the Christmas cookies I'd made. He got some intense tonguing and I got my sugar fix.

I even got carried away and swirled some red frosting around his knob so it looked like a Candy Cane.

That's my arty side coming through. But I had no problem sucking it all off.

BUM FUN

ALLY: Are you okay with a spot of anal invasion?
CHRISSIE: I'm fine with fingers up there but not a huge fan of cock. We've tried it with a load of lube but I just found it was a bit much for me. My boyfriend quite likes to stick a finger up my bum while we're f***ing. The first time he did it I was totally taken back because he didn't ask. He was on top and we were going for it in the missionary position and all of a sudden he reached under and slipped a finger in.

I was like 'oh hello', but after the immediate shock realised it felt quite nice. He does it all the time now and I do it to him too, he loves it. I rim him too, it drives him insane.
ALLY: Yeah I don't mind finger fun up the bum, but I'm the same as you on the bum sex thing. I've tried it but it hurt.

The guy I did it with was really big, too, so that probably wasn't the best introduction I could have had.

SEX TOYS

CHRISSIE: Do you have toys for when you're alone?
ALLY: I have a few. I've got a vibrator which my best mate bought me when I was single for a while last year.

I've also got a vibrating rubber ducky which goes in the bath.

I got given it on a hen do earlier this year and I have to say I can't think of a better bathtime buddy.

I fill up the tub, light some candles, get a glass of wine, then lie back, switch him on and press his little yellow beak against my clit.

Then I rub it up and down my clit really slowly. I think it's just a clitoral thing but I got so excited once I pushed his whole head inside me. He makes me come really hard.
CHRISSIE: Bloody hell I want one!
ALLY: I'll get you one for Christmas.

Pleading from teenage boy saves teacher lover from jail

A TEACHER who had sex with a 15-year-old student has escaped being jailed – after her victim pleaded with the court to show leniency.

Nadia Diaz, 26, was sentenced to three years of probation – to the delight of the boy she had sex with.

The victim, now 18, said he had persuaded Diaz *(above)* to sleep with him and claimed he was to blame for her being prosecuted.

He told the court: "This is one of the rare cases where it shouldn't be taken as child abuse.

"I believe 100 per cent that Mrs Diaz made a big mistake and after we had ended whatever relationship we had, she realised it."

The boy, who cannot be identified, asked the teacher for her phone number at Washington Union High School in California.

Their texts became sexually explicit and the pair ended up having sex twice at friends' houses.

A court was told Diaz was ashamed and she wept as she was given three years probation and 30 days in an adult offender work programme. She will also lose her teaching certificate for life.

Teacher 'had lesbo affair with girl, 13'

A TEACHER allegedly had a three-year lesbian fling with a teenage student that started when the girl was just 13.

Urszula Jankowska, 33, was arrested and charged with sexual misconduct after complaining the student was threatening her on Facebook.

The student told a school counsellor at Williamsburg High School for Architecture and Design in New York that she and Jankowska *(above)* had allegedly become 'intimate' in 2008 when she was 13.

Cops said the alleged sexual misconduct took place at various locations.

Jankowska was immediately suspended from the school following the allegations.

She has been charged with a criminal sex act, forcible touching an endangering the welfare of a child. The investigation is continuing.

BROKE down yesterday on the way back from work (sad**LAD**). When calling for a tow truck the man only knew where I was because of the pub on the corner.

ON Monday night, I went clubbing and went outside to speak to some friends in the smoking area. As I tried to get back in, a bouncer pulled me to one side and told me to get some more air as I looked a little too drunk. I told him that I don't drink. He could obviously smell the beer on my breath and questioned this. I panicked but got my head together quickly and told him I'd just pulled a girl in the smoking area, who'd downed a pint just before she snogged me. He went for it and let me back in to carry on the big night out. Result!

*QuickThinking***LAD**

GOT a text from my cousin saying: "I just farted on the escalator in the shopping arcade and a couple of seconds later, I heard a girl behind ask her mate if she had trodden in dog shit".

MY mate was on a date with an 8/10 and she said: "Tell me something about yourself that you wouldn't normally tell anyone." He said:

"Like what?" She replied: "Well, secretly I'd love to be in a girl band." He thought for a second, then blurted out: "I sometimes think my pubes are a bit ginger."

*WhatAWayWithTheGirls***LAD**

HAVING a discussion with my Dad**LAD** and I said: "Drink is 10 times worse for you than smoking cannabis." He replied: "Aye, but there's just some girls you wouldn't f*** unless you where drunk!" He then went on to quote himself, saying: "Beer...getting ugly girls laid for the past 50 years."

*ProperDad***LAD**

SIR Bobby Charlton's advice to Man Utd ace Wayne Rooney, on scoring: "When you look up to have a shot, just smash the ball towards the goal as hard as you can. If you can see that rectangle, just smash the bloody thing."

A 7/10 bird's Facebook status read: "Mam – have you got any tampons?" Her Dad replied: "No – but I do have a fleecy paint roller!"

*SickDad***LAD**

IN a nightclub, grafting a solid 6.5-7/10 netball player. About half an hour into the chat-up, she starts making the move. But some daft**LAD** jumps in and starts throwing some mad shapes on the dancefloor, thinking he was impressing her. Instead of getting him out of the girl's face, I decided to act tactically. I'd been holding in a huge fart for the duration of the time that I'd been grafting this girl. I decided to drop that motherfucker and it hit the drunk daft**LAD** right in the face. He goes green and starts to chunder on the floor. The 7/10 lass looks at me with a face of disgust, before coming over and saying: "I think he's shit himself!" So we head back to the bar and after a couple of drinks and more flirting we end up at hers for a shag.

*TacticalDeathFart*daft**LAD**

HAD a rake of ales and a curry last night – not exactly a vindaloo but still fairly hot. Got into work this morning and my guts were doing backflips – the odd air biscuit I floated made me wretch. I heard the maintenance guy telling the foreman that one of the girls' toilets won't flush. So I seize the moment and go and drop a foul curry shit in it. Every time I saw a female colleague leave the toilet they were white in the face!

JUSTIN
Your stars with Britain's

CAPRICORN (22 Dec – 19 Jan): You may not be convinced others are telling the truth – even if that's what they claim to be doing. Contrary to popular belief, you believe that what was promised is for real. Either way, the period around the New Moon on Thursday should prove strangely reassuring. You will discover that others had their reasons for keeping quiet. There will be further secrets and surprises this week – not least the confirmation of a private arrangement that you knew little about.

AQUARIUS (20 Jan – 18 Feb): There will be plenty of fun and games this week – in more ways than one. There will be no shortage of invitations either, even if a sense of alienation exists between you and those who profess to be your friends. Regardless of whether you feel anti-social or not, what happens around Thursday's New Moon in Sagittarius can not be taken glibly or lightly. You'll see why. Apart from that, you are about to cross paths with someone who you previously cast aside.

PISCES (19 Feb – 20 Mar): You may feel that you are destined for bigger things or were born to be a star performer. And, apart from another rejection as the working week begins, you should manage to overcome any challenges with a single act of defiance. Chances are the New Moon in your tenth house on Thursday will coincide with something quite prestigious and the kind of personal success that you deserve. Having to put certain people in their place may not be so nice.

ARIES (21 Mar – 19 Apr): This should be an exciting time when the urge to break free or take off is difficult to resist. There may be occasions on Tuesday when you seem to be wandering aimlessly. But chances are there is a lot going on at a distance or behind the scenes. It means you shouldn't abandon all your plans. For you, the New Moon in Sagittarius after midweek represents some kind of personal journey – even if the finer details are still a bit hazy.

TAURUS (20 Apr – 20 May): It might be back to work or business as usual but there is no doubt that your entrepreneurial flair will be evident, despite the fact that you might end up losing money. In reality, you can afford to lower your demands a bit this week. Indeed, you should find yourself much better off, especially around the time of the New Moon on Thursday. The accent is on what you share with others, and you are about to be given your best option and more besides.

GEMINI (21 May – 20 Jun): Leave partners or employers to their own devices as this week begins. Doing a bit of grovelling is also admirable, even if you feel that others want out of a relationship. Not so. Chances are that what is offered shortly is very appealing and there is no reason to question anyone's motives. For you, the New Moon which occurs in your opposite sign of Sagittarius on Thursday has to bring about a reconciliation and it certainly doesn't lack drama.

CANCER (21 Jun – 22 Jul): The working week may begin on a slightly disjointed note and in some ways your efforts appear to be useless. More to the point, there is too much happening in all directions for you to concentrate on the task at hand. The good news is that your general health will show signs of improvement, even if a new fitness or diet regime is necessary. Above all, you can expect a major breakthrough on, or around, Thursday and a rare sense of well-being.

LEO (23 Jul – 22 Aug): After a number of upsets or personal disappointments you enter a much happier phase. It is also likely that those who you have been apart or separated from will become close. Remember not to mix business and pleasure as this week commences – you could get your fingers burnt. However, the subject of romance will crop up more than once. Indeed, what you experience around Thursday's New Moon in Sagittarius will make you feel all loved up. The question is – is it a trap?

HAS JUSTIN TOPER BEEN SPOT ON WITH YOUR STARS? – HE WAS FOR THESE READERS...

JUSTIN – you the man! I was reading my stars in the *Sunday Sport* the other week and you said there'd be a small windfall on the way.

And wouldn't you know it, I got a share of a win on the lotto from the work syndicate! It wasn't life changing but it will come in handy for stocking up on booze for Crimbo! Cheers mate!

Andy, Burnley, Sagittarius

JUSTIN – my missus is a right bore in bed so when you said I should expect her to shock and tease, I presumed she'd cook something different for dinner.

Imagine my surprise then, when I got home from work to find her kitted out in stockings and suspenders! Now that was a shock – you were spot on, fella!

VIRGO (23 Aug – 22 Sep): You may have to devote more time to home and family matters, even if another relationship is ailing and others' needs are more important than your own. At the same time, you should find that your career is flourishing – even if you are being drained elsewhere. Chances are that a new domestic arrangement will meet with everyone's approval on Thursday. Then there is no stopping a move that is less of an upheaval than you think.

LIBRA (23 Sep – 22 Oct): There may have been a sudden change of plan recently or temporary breakdown in communication. However, such things, no matter how distracting, cannot prevent you from finalising an arrangement that you have been labouring over. Admittedly, not everything will run entirely smoothly as the working week commences, though you are more or less allowed to do what you please. Above all, what is lined up or pencilled in on Thursday should go fine, if not surprisingly well.

SCORPIO (23 Oct – 21 Nov): There is far more at stake than you think, and this will prove a decisive week as far as your security is concerned. Figuring out who earns or shares what is another issue and don't allow muddled thinking or your emotions to influence your decisions as the week begins. In fact, you will probably want to consider all your options and any offers on the table. Either way, what is agreed on Thursday is a sure sign that you are coming into a season of prosperity.

SAGITTARIUS (22 Nov – 21 Dec): Although partners or family members mean well, you can't help but feel somewhat cynical about their motives. But no matter how unsure you are about a personal arrangement as this week commences, chances are you're about to take a leap of faith. As it is, a brilliant New Moon in Sagittarius on Thursday will encourage you to make a final decision and live peacefully ever after. As always, honesty is the best and only policy.

LILLO'S RINGPIECE

STEVE LILLIS' KNOCKOUT BOXING COLUMN

I still want to fight Mayweather!

AM SLAM: Amir Khan gets walloped on his way to defeat by Danny Garcia, but he still hopes to face Floyd Mayweather *(below)*

AMIR KHAN insists he can still earn a fight with ring superstars Floyd Mayweather Jr and Manny Pacquiao, despite his career being on the brink of total collapse.

Successive shock defeats against Lamont Peterson and Danny Garcia means he must win Saturday's non-title 12 rounder against Carlos Molina in Los Angeles or face the end as a big-time fighter.

Khan's name has often been linked with showdowns against Mayweather and former Wild Card stablemate Pacman.

But right now he is light years away from getting back in the frame.

Mayweather Jr says he will fight twice in 2013 – on May 4 and September 14 – giving Khan a slim hope that he will get the call to face boxing's cash cow.

But the former world light-welterweight champ said: "I still want to fight Mayweather, but it's one fight at a time.

"I have the skills and the ambition to get to the very top and face the very best.

"I'm being smarter about things and not having war in the gym like I was previously."

Khan, who celebrated his 26th birthday yesterday, is now training in San Francisco under Virgil Hunter after quitting Freddie Roach's camp after his summer KO loss against Garcia.

He might not be getting any younger, but he believes that working under Hunter is like returning to his old Smithills School in Bolton.

Headmaster

Khan, who has won 26 of his 29 pro fights, added: "Working with Virgil is like being with a headmaster.

"Before I never listened, but now I'm just like I was in my amateur days. I have to listen to Virgil to get where I want."

Molina's only blemish in 18 pro fights is a draw but Khan's promoters Golden Boy have got him a safe opponent and his suspect chin won't be tested.

The American, 27, has only ever boxed at lightweight and been taken the distance in his last eight fights.

Khan told *Lillo's Ringpiece*: "We know this is a big fight to lose and we've taken him seriously.

"If you look at the past five or six fights, we've fought the top guys in the division.

"I think because Molina's not in the top five in the world, that's why people might not give him the same credit.

"But whenever you take on an undefeated fighter, you can never take him lightly as he wants to prove a point in front of his home fans.

"Molina's going to come to win. He thinks he's got the beating of me after my defeat.

"He'll think my confidence might not be there and this is the best time to catch me.

"I think it's the worst time to catch me really, but we'll see on the night what it's going to be like."

Johnson will give me a happy ending

GEORGE GROVES is aiming to end 2012 on a real high against Glen Johnson after an injury-ravaged year.

The unbeaten Londoner, 24, has been restricted to one fight over the last 12 months.

But he believes he'll send a heavy-handed warning to the world's top super-middleweights if he stops Johnson at London's ExCeL on Saturday night.

Johnson hasn't been stopped since losing in 11 rounds against Bernard Hopkins back in 1997.

Groves *(right)* said: "If I do a one-sided job on him, people will say I'm a world-class fighter.

"If I get Johnson out of there it will send a real message because he's only been stopped by Hopkins.

"I'm not going to let it affect my game plan looking to stop him, but I'm not going to hold back on my punches either."

On the same bill Ricky Burns defends his WBO lightweight title against Jose Ocampo.

●Groves v Johnson is part of a 10-hour live boxing package on BoxNation next Saturday.

FINAL CHANCE: Murphy

Murphy: Paul has helped me chill out

SNOOKER

SHAUN MURPHY has been inspired by memories of Paul Hunter as he closes in on UK Championship glory.

Hunter was one of his sport's most popular figures but died of cancer in October 2006 at the age of 27.

In York over the past week Murphy has had his old friend on his mind, and he considers the Leeds man to have been the perfect model of a player who knew how to stay cool in the heat of battle.

Most famously, Hunter employed a "Plan B" during the interval in his first Masters final, as he returned re-energised from spending the break with his girlfriend and future wife Lindsey in their hotel bedroom. Hunter beat Fergal O'Brien 10-9 from 6-2 behind.

Murphy's mental strength has shone through at the Barbican Centre where he has won final-frame deciders against Luca Brecel and Ali Carter to clinch a place in the title match.

Strength

He insisted last night that there had been no "Plan B" in operation during the Carter match.

He said: "I'm very strong technically and my shot selection has been good over the years, but what I've been able to do recently is hold myself together.

"And I remember the great Paul Hunter – that was his best strength.

"Under pressure he was able to chill out and you'd never know with Paul whether he'd won or lost.

"I've tried to take that on board.

"I see the funny side of things and in the last few frames against Ali I didn't feel any pressure."

From 8-4 behind against Carter, Murphy won five frames in a row to prevail 9-8.

He added: "I think what's happened this week is that all the little pieces of the experience that I've gathered over the last few years have all come together."

TRAGIC LOSS: Hunter

BRITAIN'S BRIGHTEST RACING SERVICE!

SACRE BLUR

By STEVE MULLEN at SANDOWN

SPRINTER SACRE confirmed his place as jump racing's own Frankel with a sensational win in the Tingle Creek Chase.

Nicky Henderson's star slammed a field of classy rivals – including rising star Sanctuaire – to win with masses left in the tank.

Jockey Barry Geraghty eased the 4-11 favourite into the lead three from home and he never came out of first gear to score.

Henderson said: "Sanctuaire was always going to go a pace that would test anybody's fitness and that was a right, screaming Sandown two-mile chase.

"Barry said the ground was as soft as he would ever want to go on but he's just class. I would say he will go Victor Chandler and then Cheltenham."

The bookies have seen enough and make Sprinter Sacre just 2-5 to win the Queen Mother Champion Chase at Cheltenham in March.

At Aintree, it was the turn of veterans to shine as 14-year-old Hello Bud won the Becher Chase over the Grand National fences.

It was a family affair for trainer Nigel Twiston-Davies and son Sam who carried the 14-1 shot home up the punishing run-in.

Twister senior said: "The run-in was just awful but thank goodness he hung on.

"As to the future, let's see. How can you really say retire the horse when he obviously enjoys it so much?"

Teddy to make them all jump

IT'S a sensational Sunday with open-race action galore from Sittingbourne.

The best bet however looks to be in the hurdle contest. LENSON TEDDY was away and gone recently at Wimbledon and had the race won before he blundered at a hurdle which allowed Farloe Bowser to snatch the race close home.

A clear round will see Tony Collett making his way to the podium to collect the trophy and get us a winner for good measure.

It promises to be a big night for team Collett with Renas Princess, who was desperate to crash out of the Oaks and Droopys Celeb with impressive form in the book against highly regarded Jims Journey also running. It could be a hat-trick for the camp.

COVENTRY
The highlight is the semis of the Golden Muzzle. Holdem Spy always sets tongues wagging at the Brandon circuit after 11 races and 10 victories. He has one paw already on the Golden Muzzle title. The other two semi-finals are much more competitive and Fifis Legend caught the eye last week and should be a decent price. The third semi can go the way of Stuart Mason's Fridays Shea.

GET APPY WITH GBGB
Welcome To The Dogs is a fantastic App brought to you by the GBGB. It's on the iphone and soon will be available on Android. It is fantastic as you can get information from all licensed tracks, special offers, fast results and advanced cards.

The best feature though is 'My Kennel' where you can add any greyhound and it will notify you when the dog is running next. Starting in next week's Sunday Sport I will give you a greyhound every week to put in the My Kennel section.

THE GRINCH

Cheer up Harry, it's Christmas!

THE reason for Harry Redknapp's ban on Christmas parties at Tottenham and new club QPR has nothing to do with players misbehaving themselves.

He's just fed up of people asking him if he's come in fancy dress – as the Grinch.

HARRY REDKNAPP

THE SEASON OF GOODISON WILL

NICE to see some good news at this time of year and that it's not all tax-avoiding coffee shops and sex-offending celebs.

Everton star Steven Naismith *(right)* is footing the bill for a Christmas meal for dozens of needy folk at the Whitechapel Centre, a Liverpool homeless charity.

What a shame that won't get anywhere near as much publicity as tweets accusing fans of abusing players.

FOOTIE FLASHBACK

NOVEMBER 1993

MAN CITY 2, MAN UNITED 3

JUST days after United's shock European Cup exit to Galatasaray after being 2-0 up, things went from bad to worse for Fergie's men as a Niall Quinn first-half brace saw City take a 2-0 lead.

With the home fans' chants of "2-0 and you f***ed it up" still ringing in their ears, Eric Cantona sparked a second-half revival with two strikes and Roy Keane finished off the job to give United the points.

WESTLEY DIGS DEEP

THERE are certainly no manager/fan relationship problems at Deepdale.

When Preston boss Graham Westley *(left)* saw a minibus full of fans filling up on the way back from their team's postponed Johnstone's Paint Trophy match at Bury last week, he put his hand in his pocket and paid for the petrol.

Meanwhile, Chelsea interim boss Rafa Benitez was seen buying up 30,000 Oyster cards...

MERV'S FACT HUNT

LAST week I asked who the only player is to score a hat-trick in the Premier League, Championship, League One, League Two, the League Cup, the FA Cup and for his country? The answer is Robert Earnshaw.

This week's Fact Hunt is: Who is the only player to have played in the Premier League, Divisions One, Two and Three, the Conference, Champions League and UEFA Cup? Answer next week!

EUR ON TO A WINNER, LADS!

THE 2020 Euros will be held across Europe rather than in one host country or area.

The idea has been criticised, but maybe for once we should cut Michel Platini *(left)* and co a break.

When you think about it, it's not such a bad idea. The English FA are keen that steps are taken to ensure, as much as possible, that no single country has home advantage.

Which is why they've asked for Wembley to be considered for the final.

EXPERT TIPSTER JOHN WARD HELPS YOU BEAT THE BOOKIES

GOAL-SHY Fernando Torres got on the scoresheet in the Champions League last week.

But the jury is still out on whether he can start knocking them in during meaningful games.

The goals were a long time coming but boss Rafa Benitez wasn't surprised – he says the misfiring Spaniard "can't stop scoring in training".

So maybe if they're lucky Chelsea will win the training Premier League. If they ever invent such a thing.

His performances on the training ground don't surprise me as he's only up against the Chelsea defence.

Blues owner Roman Abramovich is keeping faith with his £50m man and got Rafa in to get Torres scoring.

Using that wisdom I have employed Dale Winton to help find me a girlfriend.

Torres is also not giving up and says he'd like to finish his career at Chelsea.

Though a lot of people may conclude he already has.

Rafa has had a shaky start to his reign at Stamford Bridge – but in fairness to him the club has now gone five games without conceding a manager.

The Spanish boss claims he has a future there and can see himself at the club until 2014.

Or in other words, until at least 8.15pm tonight.

The fans aren't happy either – though I hear many have now pledged to put a smile on his face.

I overheard some supporters saying they'd like to give him a Chelsea smile.

They're out of the Champions League but still in the Europa League – and I reckon they're a value bet to win it.

GET READY FOR DERBY DAY!

SUPER MARIO: Balotelli celebrates during the 6-1 Old Trafford mauling and he could start today's clash

By CHRIS McKENNA

SIX GAMES DON'T DO IT FOR ME

Mancini shrugs off demolition derby

ROBERTO MANCINI goes into the derby with Manchester United admitting he does not rate City's sensational 6-1 win at Old Trafford.

The Premier League champs stuffed their rivals in dramatic fashion in October last year.

Blues fans sing "It should have been 10" to celebrate their famous victory and will never give up goading Reds supporters.

But Mancini says it was the 1-0 home derby win in April that swung the title battle in their favour.

Cagey

City edged that cagey affair thanks to a Vincent Kompany header that put them ahead of Alex Ferguson's side on goal difference.

The Blues still needed a dramatic turnaround against QPR on the last day to clinch the title.

But Mancini believes the second derby win was more impressive as United had their full quota on the field – Jonny Evans was dismissed in the October meeting.

The Eastlands gaffer said: "They played that with 10 players – the second derby here we didn't concede any chances, it was true.

"If you play with 10 men it's clear you'll have some problems."

City trail league leaders United by three points heading into today's clash at the Etihad.

And Mancini hinted that there is now more pressure on City to win.

The Italian tipped United as the title favourites following their capture of Robin van Persie and Shinji Kagawa in the summer – and so far he's been proven right. He said: "They can lose, they have three points more. We have three points less and we can't lose. I think they are better than us in this moment but a derby is a derby."

Favourites

"In this moment, probably United are favourites but the season is long.

"They were a strong team last season and they bought Van Persie and Kagawa. They put another 25 goals into the squad.

"It is an important game. They have three points more than us and they have a small advantage but a derby is a really difficult match for both teams.

"It is not the season because we have seven months after this."

Mario Balotelli is in the frame to start today after being rested for City's last two outings against Everton and Borussia Dortmund.

BREN GUNS FOR

BRENDAN RODGERS has called on Liverpool to finally become consistent – or face finishing in an embarrassing position.

The Reds secured their first back-to-back home victories in 14 months last weekend when they beat Southampton at Anfield.

They travel to Upton Park today hoping to secure their first back-to-back league wins of the season.

And Rodgers *(left)* believes they must get some consistency if they are to achieve a top-four finish.

He said: "If you're going to be successful you have got to be consistent.

"Over the course of this season, we haven't maybe got that wee bit of luck but we managed to go eight games unbeaten in the league.

"And the draws we had could very easily have been turned into victories.

"In fairness to the lads, their consistency and the level of their

We're big enough for City – Ferguson

By LUKE LORDAN

SIR ALEX FERGUSON insists he has the numbers to cope ahead of the first Manchester derby of the season.

The Man United boss has confirmed Anderson, Nani and Antonio Valencia will miss the match.

In addition, Ferguson has said the game will come too soon for Japan midfield ace Shinji Kagawa and that skipper Nemanja Vidic is unwilling to risk coming back too soon.

Yet the Scot does not view the absences as a handicap, more of an inconvenience ahead of a big game.

"I know we have some injury problems but we are not short of a squad," Ferguson said.

"I have plenty of experience to bring in. I rested Darren Fletcher against Cluj and just brought him on for the last 10 minutes.

ALEX NOT WORRIED BY SQUAD INJURIES

Desperate

"Michael Carrick will be back in. I also have Ashley Young, Wayne Rooney, Robin van Persie, Danny Welbeck and Javier Hernandez.

"That is what big squads allow you to do.

"You don't have every player every week. Our supporters must recognise that.

"Normally you work on 10 per cent of your squad being out every week with some sort of injury.

"That is the situation we are in at the moment."

Vidic has stated his desire not to aggravate his injury by returning too quickly, but his side's defensive frailties means that he'll be needed sooner rather than later.

And Man United old-boy Brian Greenhoff is only too aware of the Reds' problems at the back.

The defender – who last played for United in 1979 – couldn't help but wonder what was going on in their last Premier League game.

"There was an issue about the Reading players attacking the ball, which the United players didn't seem to do," he said.

"But the thing that baffled me was why Patrice Evra was defending a corner by standing in front of the keeper but behind a 6ft 2in centre-forward.

"Why would a goalkeeper accept someone being in there?

"Alex Stepney would have just shoved me out of the way if I had done that. It didn't offer the goalkeeper any room."

SOME CONSISTENCY

work every single day has been brilliant.

"We're blooding a lot of young players into the group and we're asking them to do men's jobs.

"Sometimes that breeds inconsistency but it's something that we're improving on."

Hammers boss Sam Allardyce reckons that Carlton Cole can kick-on from his Chelsea strike and provide the answer to the Hammers' strike problems.

Cole *(right)* netted his first goal of the season in the 3-1 win over Chelsea – being the lead man in the absence of injured Andy Carroll.

Euphoria

Like Cole, Carroll has just one league goal to his name and Allardyce admits he would like to see his centre forwards hit the mark a bit more often.

He said: "It was a great comeback and I think his performance overall, including the goal, was a key element in us going on to win.

"I hope he continues to score goals because that has been one of our slight weaknesses – our centre forwards haven't really scored enough."

And the ex-Blackburn boss thinks his team can continue their form.

"We felt the euphoria of what we achieved last Saturday. Our second-half performance was outstanding as we overran one of the top teams in Europe.

"But it's my job to make sure we don't have a dip, because we'll need to be up there again to beat a team like Liverpool."

WE NEED TOP FOUR TO KEEP FELLAINI

EVERTON v TOTTENHAM

Today – Kick-off 3pm

DAVID MOYES is hoping Everton stay in contention for a Champions League spot – so they can keep hold of their big-name players.

Marouane Fellaini *(above)* and Leighton Baines are just two of the Toffees players set to be chased by the big boys in January.

But Moyes, whose side face in-form Tottenham today, wants to remain in touch with the top four so the lure of possible Champions League football can persuade them to stay at Goodison Park.

By CHRIS McKENNA

"I think we have a lot of good players. When you have good players they want to be successful," said the Everton boss.

"They want to play and want to be involved in the top end of the league. They want to be involved in cups and involved in European competition.

Crap

"We know at Everton we have a responsibility to try to do that as we have a number of top players – not just Fellaini – who should be challenging at the top end.

"If you can do that, the players are more content."

Andre Villas-Boas is loving the fact that Spurs fans are singing his name right now.

Tottenham have won their last four games and will look to extend that run at Goodison today. But the former Chelsea boss knows he's only a few crap results away from being booed.

He said: "The fans are the best critics of your performances.

"When they don't like it they will criticise you. When they like you they congratulate you.

"At the moment it's positive because at the moment we're on a very good run.

"Everything can change. In this business we go from being the best to being donkeys – or even the best donkeys – very quickly."

Spurs will be without the injured Gareth Bale but Clint Dempsey is doing well on the left in his absence.

AVB said: "He had some very successful years at Fulham on the left in a 4-3-3 or 4-4-2."

Krul's right to abandon his rituals, touch wood

FULHAM v NEWCASTLE

Tomorrow, 8pm – Live on Sky Sports 1

TIM KRUL won't be keeping his fingers crossed that Newcastle end their Premier League away-day hoodoo at Fulham.

In fact, Toon's flying Dutchman won't be going through any of his usual pre-match superstitions.

Newcastle's highly-rated keeper has shelved his array of favourite rituals – after a monstering from his no-nonsense girlfriend.

She showed who wears the pants by telling him to shelve the lucky nonsense. It sounds like it might take a bit of Dutch courage to answer her back, and he admitted: "I try to stay away from having superstitions these days.

By JASON MELLOR

"I used to have a couple, but my girlfriend just said to me one day 'seriously, what are you doing?'

Massive

"She was at a game with my family where I touched the crossbar before the start of the game.

"Afterwards, she said to me 'what on earth do you think you're doing? Do you think that's going to help you?' She made me see a bit of sense and I stay clear of them now."

The Magpies are without Steven Taylor, Yohan Cabaye, Dan Gosling and Ryan Taylor as they go in search of their first Premier League away win for seven months.

Fulham boss Martin Jol admits it will be a massive boost to welcome back centre-back Brede Hangeland after a three-game ban.

The Cottagers' captain was sent off in the 3-1 defeat to Sunderland for a two-footed tackle.

And Jol said: "He brings consistency to the side. He plays all the games, I can't remember him being injured so he's always there and he's always available.

"I remember last season when we played the qualification games for the Europa League and I told Brede that maybe it's better to rest him but he didn't want to do that."

ROB DOES A JOB: Snodgrass *(centre)* celebrates his winner

Canaries go goal-mad to put Swans on the slide

SWANSEA 3 NORWICH 4

NORWICH went goal crazy to win for the first time away from Carrow Road this season.

Strikes from Steven Whittaker, Sebastien Bassong, Grant Holt and Robert Snodgrass did the trick at the Liberty Stadium.

The Canaries came within a whisker of taking the lead inside 20 seconds when Bradley Johnson's header from a Snodgrass corner was cleared off the line.

But Swansea quickly took control and posed Norwich questions. Chris Hughton's side has been on a great run of late after a shocking start to the season in which they were leaking goals for fun.

WISH GRANTED: Holt

Hughton has had one or two problems with his side scoring goals – but not yesterday.

They played with confidence having come into the game on the back of nine matches unbeaten.

Danny Graham's shot on the turn was high and wide in the 10th minute.

Bright

At the other end, Jonny Howson hit an upright with Gerhard Tremmel beaten.

A minute later, the Canaries were a goal up. Whittaker exchanged passes with Snodgrass and, after cutting inside Ashley Williams, beat Tremmel at his near post.

A Snodgrass shot was the next bright spot for Norwich.

In the 28th minute, Swansea's top scorer Michu struck the bar with a header from a dozen yards.

Six minutes before half-time, the Canaries doubled their lead.

Swansea failed to clear a Snodgrass free-kick and when Holt crossed, Bassong rose to beat Tremmel.

Four minutes later, Holt was the recipient of a Snodgrass set-piece that he headed into the far corner.

Minutes into the second half, Norwich were unlucky not to have a fourth.

A sublime pass from Snodgrass saw Johnson beat the offside trap, but the former Leeds midfielder struck the woodwork.

Two minutes later, Swansea were back in the game when a drilled cross from Ben Davies found Michu who made no mistake.

Jonathan de Guzman added a second after Nathan Dyer's cross was only partially cleared.

Swansea were now in control and Itay Shechter had a goal disallowed for a foul on Mark Bunn.

When Norwich broke, Holt was dragged down by Williams and Snodgrass bent in the free-kick.

Michu's second was just a consolation.

HUDDERSFIELD 2 BOLTON 2

STRIKER James Vaughan rescued a point for Huddersfield late on in an enthralling topsy-turvy Roses derby.

Bolton looked set for victory after midfielder Chris Eagles made up for missing a second-half penalty with a drilled finish from Mark Davies' back-heel on 80 minutes.

Eagles had seen his penalty, awarded for a trip on Davies by Town's Paul Dixon, saved by keeper Alex Smithies seven minutes earlier.

The Trotters, trailing 1-0, levelled on 70 minutes when the livewire Davies produced a classy curler after a run from deep that was unchecked by the home defence.

Huddersfield led from the ninth minute when Zat Knight had headed into his own net.

But Vaughan saved it for Huddersfield when he fired into the bottom left corner on 87 minutes.

LEICESTER 2 BARNSLEY 2

A LATE Jamie Vardy strike earned Leicester a point and means Barnsley's long search for a win goes on.

It looked like Rueben Noble-Lazarus' bicycle kick would be enough to get the Tykes a first victory in 10 games.

But Vardy latched onto a Zak Whitbread knock-down to deny them in the last minute.

Leicester took the lead when Anthony Knockaert placed the ball past Luke Steele in the Barnsley net.

However, the goal appeared to make the home side sit back while Barnsley sparked into life.

And their equaliser was well deserved with Stephen Dawson jumping on a Kasper Schmeichel mistake.

Jim O'Brien snaffled the keeper's loose pass, his shot was saved but Dawson knocked in the rebound.

CHARLTON 2 BRIGHTON 2

CHARLTON celebrated 20 years since returning to The Valley but couldn't hold on for a win.

The home side got off to a flyer with a ninth-minute opener.

Dale Stephens fired in a cross from the left that Lawrie Wilson touched in from close range.

Brighton defender Gordon Greer blasted over with the goal at his mercy.

Craig Mackail-Smith got a quality equaliser after finding Michael Morrison's mis-placed header.

Stephen Dobbie, Will Buckley and Mackail-Smith all came close to putting the Seagulls ahead after the break.

Bradley Pritchard squeezed the ball over the line at the other end to put Charlton back in front.

But sub Kazanga LuaLua made sure of a point with a deflected free-kick that foxed keeper Ben Hamer.

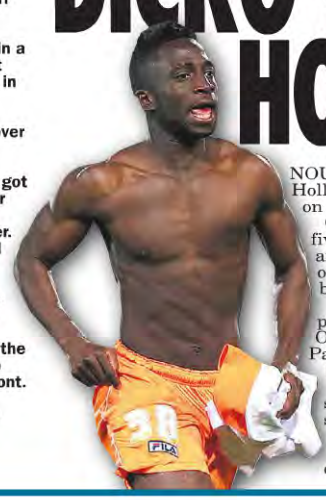
DICKO'S STRIKE STOPS HOLLOW VICTORY



C PALACE 2 BLACKPOOL 2

NOUHA DICKO prevented Ian Holloway from piling more misery on former club Blackpool.

Ollie quit Bloomfield Road just five weeks ago – sparking fury among Seasiders' fans who reckoned he had betrayed the club by walking away.

And he was set to pile on the pain when Glen Murray and Owen Garvan put Crystal Palace ahead before Dicko *(left)* levelled in the final minute.

The reaction of the visiting supporters and the substitute showed just how much it meant the Seasiders.

Blackpool looked capable of delivering the perfect response to their former boss in the first half when Nathan Delfouneso gave them the lead.

Delfouneso headed home from Tom Ince's cross – and the visitors could have had a second before the break.

But Palace struck back eight minutes after the restart when Garvan headed them level.

Then leading scorer Murray headed a second with Garvan this time the provider.

But Dicko made sure this wasn't a miserable reunion for Holloway's former players when he turned in Wes Thomas's low cross at the death.

Davies gives Rams one Ell of a victory!

DERBY 3
LEEDS 1

BEN DAVIES curled in a late stunner to keep up Derby's fantastic record against bitter rivals Leeds.

The Rams put an end to Neil Warnock's side's recent good run with a dominant performance to make it eight consecutive wins against the Elland Road club.

Both sets of fans were going tit-for-tat before the match kicked off and the banter continued through the opening stages as neither side could fashion a chance.

Derby were first to take charge, winning more 50-50s and forcing a couple of early corners.

And Nigel Clough's men were in front on 15 minutes after 17-year-old Will Hughes freed Conor Sammon in the area.

The former Wigan man, who cost £1.2million in the summer, turned defender Lee Peltier inside out before slotting home his fifth of the season.

The lively Hughes was popping up all over the place, forcing a corner just before half-time after a jinking run and cross which cannoned off Sam Byram.

Neil Warnock *(right)* would have been preparing a half-time rollicking but the visitors got an undeserved equaliser.

Peltier's deep ball into the box was flicked on to Paul Green who touched the ball past Adam Legzdins to score against his former club.

Ross McCormack then fired a shot straight at Legzdins as a much more end-to-end contest developed after the break

Slammed

Ryan Hall's turn and shot forced an acrobatic goal-line clearance from Derby mid-fielder Michael Jacobs and Sammon fired wide for the Rams.

Derby looked most likely to find a second goal and it arrived on 65 minutes. Robinson's header was cleared off the line by Tom Lees but the resulting corner found its way to Jake Buxton who slammed a low shot under Paddy Kenny.

Sub El-Hadji Diouf fired wide for Leeds but Derby sealed the points in injury time when Davies curled a left-foot shot past Kenny from the edge of the area.

BEN MAKES IT EIGHT ON THE RUN AGAINST RIVALS

N FOREST 2
BURNLEY 0

DEXTER BLACKSTOCK and Billy Sharp both scored their sixth goals of the campaign as Forest recovered from a painful first half to beat Burnley.

Blackstock's header eventually broke the deadlock after a woeful first half.

And Sharp beat the offside trap late on to slot past Lee Grant after being played through by the impressive Reid.

Burnley were second best in this contest with Charlie Austin unable to add his 21 goals this term.

But he did come close to an equaliser – saved by Lee Camp – shortly after Blackstock had put Forest in front.

IPSWICH 3
MILLWALL 0

MILLWALL were well and truly Tango-ed as the Tractor Boys got their third win in a row.

The Lions, wearing an all-orange kit, had gone 13 games without loss before Town's loan ranger demolished their unbeaten run.

DJ Campbell, on loan from QPR, made it eight goals in 12 games for Ipswich, while Daryl Murphy, borrowed from Celtic, grabbed his fourth of the season.

Ipswich, who were bottom when Mick McCarthy took over, have now gone four games unbeaten and have won a penalty in all those games.

SHEFF WED 2
BRISTOL CITY 3

DAVE JONES' job is hanging by a thread after a Robins comeback condemned Owls to a seventh loss in a row.

Boss Jones saw his side throw away a late 2-1 lead as striker Gary Madine went from hero to villain.

Madine fired Owls 2-1 ahead only to handle in his own area and give Sam Baldock his second spot kick of the game.

Then Albert Adomah hammered in a free-kick after 86 minutes to pile the pressure on Jones.

The Owls led after three minutes through Miguel Llera's header, but the centre-half soon downed Baldock for the ex-Hammer's first penalty.

WATFORD 1
HULL 2

DAVID MEYLER and Robbie Brady sent Gianfranco Zola's Watford crashing back down to earth.

The Hull wingers struck in either half to halt Watford's climb up the table.

Hull took the lead when Corry Evans' shot hit the bar and Meyler scored the rebound in the 41st minute.

It was a different Watford side after the break after sub Almen Adbi hit the post.

Brady made sure of the win with a 73rd-minute free-kick, with Troy Deeney's injury-time goal scant consolation for Watford.

FORGOTTEN MAN: Bent salutes the Villa fans after coming on

BENT BACK BUT VILLA CAN'T FIND POTT LUCK

DARREN BENT made his first outing in over a month as Villa and 10-man Stoke played out a snore draw.

There had been doubts whether striker Bent had played his last game for Villa – but he was brought on to the biggest cheer of the day with 24 minutes left.

It was a first Premier League appearance since the draw with Norwich on October 27 for Bent.

Despite his team looking short of attacking inspiration here, Paul Lambert's decision to throw on the striker still came as a surprise.

And although you would still put your money on him being sold in the January sales, a chink of light remains as far as his Villa future is concerned.

Aside from Bent, Ryan Shotton's red card at the death was the only incident of note in a game of few chances.

Comfort

The result left Villa still just two points clear of the drop zone,.

But Lambert *(below)* will take great comfort from the fact they are unbeaten in four as he heads to his old club Norwich on Tuesday in the Capital One Cup.

Villa began the contest positively and it took a stunning block from point-blank range by Ryan Shawcross to deny Christian Benteke.

More fine Potters defending saw Robert Huth toe away an Eric Lichaj cut-back with Benteke lurking.

Barry Bannan's pass was knocked down by Matthew Lowton to Benteke, but his tame volley was too close to the keeper.

There was a standing ovation for Bent when he came on for Gabby Agbonlahor midway through the second half.

But it was the Potters who looked the more likely to make the breakthrough later on.

Jon Walters was left cursing when, from six yards out, he skewed a volley wide.

Peter Crouch made his return from injury when he was introduced for Kenwyne Jones with 15 minutes to go.

The ex-Villa striker, wearing a mouthguard after having some teeth knocked out last week, was booed by home fans.

But, like Bent, the Potters forward was starved of service and made little impression in his time on the pitch.

The closest Villa came was when a Stephen Ireland shot landed on the roof of the net.

Shotton was sent off in injury time when he caught sub Fabian Delph's heels to earn a second yellow.

ASTON VILLA 0
STOKE 0

PETERBORO 2
MIDDLESBRO 3

BORO ended a run of three defeat in four with a hard-fought win.

The Teesiders started well when Faris Haroun scored from a corner.

Tony Mowbray's men doubled their lead – Haroun again hitting the net.

Dwight Gayle gave Posh some hope on 37 minutes. And it wasn't wasted when he pulled the home side level.

Both teams pressed for a winner and sub Ishmael Miller put Boro back in front on 76 minutes with a left-footed shot from outside the box.

Middlesbrough were given plenty of time and space late on and Scott McDonald should have done better when he shot straight at keeper Bobby Olejnik.

KING CROWNS VERY BAD DAY FOR BLUES

WOLVES 1
BIRMINGHAM 0

BLUES boss Lee Clark was nursing a King-sized headache after a defeat that left them in the bottom six.

Marlon King *(above)* had scored nine times in 10 games for City, but was on target at the wrong end to present Wolves with their first home win since September.

Wanderers must have sensed it was going to be their day when they mounted only a handful of attacks in the first half, yet still led at the break.

They were pinned back but went ahead when Bakary Sako's free-kick was turned into his own net by King.

It was cruel on Birmingham, who clicked into gear far quicker than in other games this season but still couldn't conjure up an early goal.

Clark's side have not scored in the first 15 minutes of any match, but they went close here thanks to Paul Caddis. The full-back forced Wolves keeper Carl Ikeme into two excellent saves.

It was a worrying opening half-hour for under-fire Wolves manager Stale Solbakken as his players misfired and the fans quickly grew impatient.

But King's unfortunate contribution improved the mood at Molineux and Wolves were far more impressive after the break.

Kevin Doyle and Stephen Ward went close and Roger Johnson hit the bar.

Birmingham ran out of ideas, though, with King unable to make an impact at the right end.

ARSENAL 2 WEST BROM 0

SANTI CAZORLA was caught up in a cheat storm as Arsenal ended a run of four games without a win.

The Spaniard pulled a shocking dive in the first half at the Emirates Stadium just when it looked like Arsene Wenger's side were having a shocker.

Mikel Arteta stroked home the spot-kick and added another from 12 yards in the second half to secure maximum points.

Victory moves Arsenal closer to the top four again after one league victory since the start of November saw them slide down the table – and led to Wenger's reign being questioned by the Gunners faithful.

DIVE BOMB: Cazorla

Cazorla was at the heart of Arsenal's attacks, firing wide with his first attempt after Jack Wilshere slid the ball to him on the edge of the area.

The Spaniard also volleyed over after Alex Oxlade-Chamberlain burst down the right and fired in a cross which was met first time by his team-mate.

Cazorla was almost inevitably involved in the opening goal, although West Brom were furious when ref Mike Jones awarded the Londoners a 26th-minute penalty.

Protests

Reid flicked out a leg as Cazorla checked back in the area on to his right foot, but replays showed the Arsenal midfielder was not touched as he threw himself to the floor like he was starring in *Platoon*.

Arteta was not affected by the protests and coolly chipped his spot-kick down the middle for his second of the season – and only a month after having a penalty saved against Fulham.

The Gunners were two goals ahead in the 63rd minute when Oxlade-Chamberlain raided down the right and went down under Brunt's challenge.

This time there was no dispute over the penalty, and Arteta chipped down the middle yet again to seal the points.

Markus Rosenberg came off the bench for the Baggies and felt he was tripped in the penalty area.

But Jones waved play on this time, causing a furious reaction from the away fans and the Baggies' bench.

EVEN Harry Houdini will struggle to help QPR beat the drop judging by this game.

Harry Redknapp reckons QPR need 10 wins for safety but they will struggle to get one if they play like this.

The London side recorded the worst-ever start in the Premier League yesterday as they could only muster a draw against Wigan to go 16 games without a win. James McCarthy put Roberto Martinez's side ahead before Ryan Nelsen *(left)* pegged QPR back level.

But instead of kicking on, Rangers wilted and it was Martinez who will be wondering how his side did not get their second win in their last six outings.

Djibril Cisse's goal for QPR 19 minutes from time would have been criminal if it had stolen a win, but McCarthy's second managed to earn Wigan a point.

Torres double gives Benitez first Prem victory for Chelsea

By JASON MELLOR

FERGIE reckons the title is already a two-horse race – but don't rule out Chelsea after this watershed game at the Stadium of Light.

A clinical Fernando Torres double saw Rafa Benitez come out on top with the Spaniard notching his first league win since replacing Roberto Di Matteo.

Torres struck early for his 10th goal of the season to pave the way for Chelsea's eighth victory in the last nine visits to Sunderland.

Chelsea moved to within seven points of Sir Alex Ferguson's league leaders as they take a break from league action to contest the Club World Cup.

They could be streets behind United and City by the time they return to Premier League action against Aston Villa on December 23.

But they kept up their chase by signing off with their first league win for seven weeks.

Sunderland have now won just two of their last 23 Premier League matches to leave Martin O'Neill's future looking ever more bleak.

For Chelsea it's now an amazing 15 wins in their last 16 games against the hapless Black Cats.

The Blues didn't look back after taking the lead through Torres with a predatory 11th-minute strike to knock the steam out of O'Neill's confidence-starved troops.

Phil Bardsley lost the ball near halfway to Oriol Romeu, who fed Victor Moses to find Eden Hazard down Chelsea's left.

The Belgium star was given time and space to send over a cross which Torres reacted to first, steaming in at the near post ahead of Danny Rose to volley home.

Nightmare

Sunderland recovered from their nightmare start, and Stephane Sessegnon forced Petr Cech into a smart save high to his left.

But any hopes of a comeback went up in smoke in first-half stoppage time as Torres doubled his tally from the penalty spot after Seb Larsson took the feet of Ramires as the Chelsea midfielder looked to cut the ball back from the byline.

Torres was inches away from a hat-trick three minutes after the break – but it didn't matter as Chelsea surged into a three-goal lead as Sunderland went into self-destruct mode.

Phil Bardsley should have dealt with a Ramires cross from the right, but his awful control saw the ball bounce up invitingly for Torres. His snap shot hit the bar but Juan Mata reacted first to seal the victory.

Adam Johnson pulled a goal back, curling it home from the edge of the area just after the hour.

And then Cech saved well late on from Johnson and Craig Gardner.

BENI THRILL: Benitez secured his first win

DENIED: Puncheon

Knockout Punch is enough for Saints

SOUTHAMPTON 1
READING 0

A WEEK after putting three past Manchester United, Reading could not score against the team with the worst defensive record in the league.

Jason Puncheon's third league goal of the season on the hour was enough as Saints kept only their second clean sheet of the season to move clear of the drop zone.

But they will be sweating on a knee injury that forced off captain Adam Lallana after what looked like a simple tumble in the first half.

That first period was a dull affair, although Reading felt they could have had a penalty.

But the Royals were denied because referee Jonathan Moss had failed to spot a challenge by Jack Cork that clipped the heel of Jay Tabb as he looked to fasten on to the rebound after Kelvin Davis had saved his initial 20-yard effort.

Favour

But Moss then did Reading a favour, disallowing a perfectly good goal by Puncheon for an imaginary "foul" on Adam Federici by Maya Yoshida.

Replays showed the Japanese defender had been fouled by Federici.

And Reading could have gone into the break ahead as Hal-Robson-Kanu's firm header smacked back off the upright after a slick short corner move worked by Tabb and Jobi McAnuff.

But there was no reprieve for Reading after 60 minutes as Rickie Lambert sent Nathaniel Clyne away down the right.

His pass inside was collected by Puncheon, who drilled an angled shot low past Federici's right hand and just inside the foot of the far post.

Reading tried to reply but Adam Le Fondre headed wide from Shaun Cummings' cross with Davis rooted to the spot.

And Saints could have doubled their lead only for Federici to pull off the save of the match, falling to his left to palm aside Do Prado's rocket from 10 yards.

HARRY'S HOPES OF WIN

international met it on the half-volley and found the bottom corner of the goal.

QPR have not won away in 13 months so their travelling support must have been fearing another wasted trip. But their despair did not last long as they levelled in the 26th minute. Adel Taarabt swung a corner to the near post that was met by skipper Nelsen who had easily lost his marker and a weak hand from Ali Al Habsi could not keep the Kiwi's powering header out.

Franco Di Santo should have restored the Latics' advantage in the 35th minute when Ronnie Stam's cross found him unmarked at the far post but he shot straight at Rob Green.

McCarthy almost got a second when a deflection saw him one-on-one with Green but the QPR goalkeeper saved with his feet.

Jordi Gomez then forced a good save from Green before rattling the bar from close range as the Latics piled on the pressure.

Redknapp brought on Cisse and he got QPR ahead after a howler from Adrian Lopez.

The Latics man gave the ball away and Shaun Wright-Phillips picked it up before sliding the ball into the area to Cisse who easily fired past Al-Habsi.

But QPR's hopes of their first win in 16 were dashed when McCarthy broke into the area to toe poke in his second three minutes after Cisse's.

MANCHESTER DERBY: CITY v UNITED

Look Roo's on a revenge mission

By CHRIS McKENNA

WAYNE ROONEY is out for revenge and ready to stick the knife into Man City after they crashed out of Europe.

The United striker reckons a win for the Reds at the Etihad today will put City under more pressure after they failed to even make the Europa League.

Roberto Mancini's men finished bottom of their Champions League group and trail United by three points in the Premier League.

And Rooney is ready to make it even WORSE today.

The England front man said: "We are in a great position and we don't want to give that up. If we get three points it will be massive for us.

"With City out of the Champions League, they are having a bit of a tough time and I think everyone can see that behind the scenes.

"If we can win it will put a lot more pressure on them."

Dramatic

City thrashed United 6-1 at Old Trafford last season and then edged a cagey 1-0 on their way to their first league title in 44 years.

The Blues also needed a dramatic late turnaround against QPR to nick the title from United's grasp, but Rooney revealed that is all in the past for Sir Alex Ferguson's side.

He added: "Obviously they beat us in the main ones in the league last season. We want to go there and do better than we did last year.

"We know that if we'd of turned one of those two games around we would have won the league, but you can say that about any game.

"We have to move on from that – that's gone now. We have to look forward and I think we've started reasonably well and we are in a great position at the minute.

"We are looking forward to going there and getting the three points."
